

# ELD® MATCH 6.5MM (0.264") POLYMER TIPPED BOATTAIL RIFLE BULLETS - ELD® MATCH 6.5MM (0.264") 120GR POLYMER TIP BOATTAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

HORNADY ELD® MATCH 6.5MM (0.264") POLYMER TIPPED BOATTAIL RIFLE BULLETS ELD® Match (Extremely Low Drag Match) bullets are technologically advanced, enhanced accuracy target bullets featuring Heat Shield® tips with the PERFECT MEPLAT (tip point) combined with numerous design features that deliver the highest-in-class ballistic coefficients, superior accuracy and extreme consistency from bullet to bullet, lot to lot. Superior accuracy and industry leading ballistic design has been achieved with the ELD Match bullet. An optimum secant ogive and boattail design along with the Heat Shield tip produce a bullet with the highest possible ballistic coefficient in its class. **PRODUCT FEATURES** **THE PERFECT TIP** The Heat Shield® tip is immune to the effects of aerodynamic heating and retains its shape to provide a perfect meplat (tip) that is always the same shape. The patented DVRT™ (Drag Variability Reduction Technology) increases bullet drag uniformity for less dispersion and smaller groups at longer ranges. **BULLET SHAPED FOR ACCURACY** Along with the Heat Shield® tip, the streamlined secant ogive with optimum boattail design and highly concentric AMP® bullet jackets combine for remarkable accuracy and best-in-class BCs. **BEST-IN-CLASS BCs** ELD® Match bullet BCs are measured and verified by Doppler radar and corrected to standard atmospheric conditions. **SWAGED LEAD CORE FOR UNIFORMITY** ELD® Match bullets feature a precision swaged lead core, which provides consistent uniformity and contributes to the bullet's aerodynamics and accuracy, even at extended ranges.

## Attributes

- Name: [ELD® MATCH 6.5MM \(0.264"\) 120GR POLYMER TIP BOATTAIL 100/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749016770
- Mfr. No.: 26175
- Ballistic Coefficient (G1): -
- Ballistic Coefficient (G7): -
- Brand Style: ELD-Match
- Bullet Style: ELD-Match
- Caliber: 6.5mm,264 Caliber
- Diameter (in): 0.264
- Grain: 120
- Sectional Density: -
- Quantity: 100
- Delivery weight: 0.898kg
- Shipping height: 56mm
- Shipping width: 53mm
- Shipping length: 104mm
- UPC: 090255261752

## Item details

# **Safety Instruction Guide for 6.5MM (.264") 147 GRAIN ELD MATCH BULLETS**

## **Introduction**

Thank you for choosing the 6.5MM (.264") 147 GRAIN ELD MATCH BULLETS. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before handling or using the bullets.

## **General Safety Guidelines**

- Ensure that you are familiar with local laws and regulations regarding the purchase, possession, and use of ammunition.
- Always treat all ammunition as if it is live and capable of firing.
- Store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Regularly inspect ammunition for signs of damage or corrosion before use.
- Report any unsafe products or incidents to the appropriate authorities.

## **Specific Safety Precautions for Use**

- Always use appropriate eye and ear protection when handling or firing ammunition.
- Ensure that your firearm is compatible with the 6.5MM (.264") caliber before use.
- Do not exceed the recommended load specifications provided by your firearm manufacturer.
- Avoid using damaged or worn firearms, as this may increase the risk of malfunction or injury.
- Do not attempt to modify or alter the bullets in any way.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not use ammunition in firearms that are not in good working order.

## **Instructions for Installation and Usage**

### **• Installation:**

- Carefully open the box of bullets, ensuring not to damage the bullets or packaging.
- Store bullets in their original packaging until ready for use.
- Handle bullets with care to avoid dropping or damaging them.

### **• Usage:**

- Load the bullets into the firearm according to the manufacturer's instructions.
- Ensure the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- After firing, safely unload the firearm and store it according to local regulations.

## **Disposal Instructions**

- Follow local regulations for the disposal of ammunition and firearm components.
- Do not dispose of ammunition in regular household waste.
- Contact your local authorities or waste disposal services for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding this product, please reach out to the appropriate EUbased contact point. Ensure that you have the product details ready for assistance.

Thank you for following these safety guidelines. Your safety and the safety of others are of utmost importance.
