

# ELD® MATCH 6.5MM (0.264") POLYMER TIPPED BOATTAIL RIFLE BULLETS - ELD® MATCH 6.5MM (0.264") 130GR POLYMER TIP BOATTAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

HORNADY ELD® MATCH 6.5MM (0.264") POLYMER TIPPED BOATTAIL RIFLE BULLETS ELD® Match (Extremely Low Drag Match) bullets are technologically advanced, enhanced accuracy target bullets featuring Heat Shield® tips with the PERFECT MEPLAT (tip point) combined with numerous design features that deliver the highest-in-class ballistic coefficients, superior accuracy and extreme consistency from bullet to bullet, lot to lot. Superior accuracy and industry leading ballistic design has been achieved with the ELD Match bullet. An optimum secant ogive and boattail design along with the Heat Shield tip produce a bullet with the highest possible ballistic coefficient in its class. **PRODUCT FEATURES** **THE PERFECT TIP** The Heat Shield® tip is immune to the effects of aerodynamic heating and retains its shape to provide a perfect meplat (tip) that is always the same shape. The patented DVRT™ (Drag Variability Reduction Technology) increases bullet drag uniformity for less dispersion and smaller groups at longer ranges. **BULLET SHAPED FOR ACCURACY** Along with the Heat Shield® tip, the streamlined secant ogive with optimum boattail design and highly concentric AMP® bullet jackets combine for remarkable accuracy and best-in-class BCs. **BEST-IN-CLASS BCs** ELD® Match bullet BCs are measured and verified by Doppler radar and corrected to standard atmospheric conditions. **SWAGED LEAD CORE FOR UNIFORMITY** ELD® Match bullets feature a precision swaged lead core, which provides consistent uniformity and contributes to the bullet's aerodynamics and accuracy, even at extended ranges.

## Attributes

- Name: [ELD® MATCH 6.5MM \(0.264"\) 130GR POLYMER TIP BOATTAIL 100/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749016772
- Mfr. No.: 26177
- Ballistic Coefficient (G1): -
- Ballistic Coefficient (G7): -
- Brand Style: ELD-Match
- Bullet Style: ELD-Match
- Caliber: 6.5mm,264 Caliber
- Diameter (in): 0.264
- Grain: 130
- Sectional Density: -
- Quantity: 100
- Delivery weight: 0.885kg
- Shipping height: 57mm
- Shipping width: 70mm
- Shipping length: 107mm
- UPC: 090255261776

# Safety Instruction Guide for 6.5MM (.264") 147 GRAIN ELD MATCH BULLETS

## Introduction

Thank you for choosing the 6.5MM (.264") 147 GRAIN ELD MATCH BULLETS. This guide provides essential safety instructions to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide thoroughly before using the product.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of bullets by following all safety instructions. These bullets are designed for target shooting and should be used responsibly.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. If a recall occurs, you will be provided with standardized notices and remedies.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements similar to those found in physical stores.
- **Special Consumer Focus:** Extra precautions should be taken when this product is accessible to vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, refer to the provided EU contact point information.
- **Rapid Alerts:** Be aware of the Safety Gate system for quick updates on unsafe products.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals 18 years or older. Ensure that minors do not have access to the bullets.
- **Handling:**
  - Always handle bullets with care. Treat all ammunition as if it is live.
  - Do not point the bullets at yourself or others.
- **Storage:**
  - Store bullets in a cool, dry place, away from direct sunlight and moisture.
  - Keep bullets in their original packaging until ready for use.
- **Transportation:**
  - When transporting bullets, ensure they are securely stored to prevent accidental discharge.
- **Use:**
  - Only use these bullets in firearms that are specifically chambered for 6.5MM (.264") ammunition.
  - Always follow the firearm manufacturer's instructions for ammunition use.

## Instructions for Installation and Usage

- **Installation:**
  - These bullets are designed to be loaded into compatible cartridges. Follow the reloading instructions provided by your reloading equipment manufacturer.
- **Usage:**
  - Ensure that your firearm is in good working condition before use.
  - Check the barrel for obstructions before loading.
  - Load the bullets carefully, ensuring they are seated properly in the cartridge.
  - Always wear appropriate eye and ear protection when shooting.
  - Follow all local laws and regulations regarding shooting and firearms.

# Disposal Instructions

- **Disposal of Unused Bullets:**
  - Do not dispose of bullets in regular trash. Contact your local waste management facility for proper disposal methods.
  - Consider returning unused or expired bullets to the retailer or a designated hazardous waste collection site.
- **Environmental Considerations:**
  - Do not leave spent casings or bullets in the environment. Clean up after shooting to protect wildlife and natural habitats.

## Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the 6.5MM (.264") 147 GRAIN ELD MATCH BULLETS, please refer to the appropriate EU contact point for assistance.

Thank you for your attention to these safety instructions. Safe shooting!
