

ELD® MATCH 6.5MM (0.264") POLYMER TIPPED BOATTAIL RIFLE BULLETS - ELD MATCH 6.5MM (0.264") 147GR POLYMER TIP 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

HORNADY ELD® MATCH 6.5MM (0.264") POLYMER TIPPED BOATTAIL RIFLE BULLETS ELD® Match (Extremely Low Drag Match) bullets are technologically advanced, enhanced accuracy target bullets featuring Heat Shield® tips with the PERFECT MEPLAT (tip point) combined with numerous design features that deliver the highest-in-class ballistic coefficients, superior accuracy and extreme consistency from bullet to bullet, lot to lot. Superior accuracy and industry leading ballistic design has been achieved with the ELD Match bullet. An optimum secant ogive and boattail design along with the Heat Shield tip produce a bullet with the highest possible ballistic coefficient in its class. **PRODUCT FEATURES** **THE PERFECT TIP** The Heat Shield® tip is immune to the effects of aerodynamic heating and retains its shape to provide a perfect meplat (tip) that is always the same shape. The patented DVRT™ (Drag Variability Reduction Technology) increases bullet drag uniformity for less dispersion and smaller groups at longer ranges. **BULLET SHAPED FOR ACCURACY** Along with the Heat Shield® tip, the streamlined secant ogive with optimum boattail design and highly concentric AMP® bullet jackets combine for remarkable accuracy and best-in-class BCs. **BEST-IN-CLASS BCS** ELD® Match bullet BCs are measured and verified by Doppler radar and corrected to standard atmospheric conditions. **SWAGED LEAD CORE FOR UNIFORMITY** ELD® Match bullets feature a precision swaged lead core, which provides consistent uniformity and contributes to the bullet's aerodynamics and accuracy, even at extended ranges.

Attributes

- Name: [ELD MATCH 6.5MM \(0.264"\) 147GR POLYMER TIP 100/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749016773
- Mfr. No.: 26333
- Ballistic Coefficient (G1): -
- Ballistic Coefficient (G7): -
- Brand Style: ELD-Match
- Bullet Style: ELD-Match
- Caliber: 6.5mm,264 Caliber
- Diameter (in): 0.264
- Grain: 147
- Sectional Density: -
- Quantity: 100
- Delivery weight: 0.998kg
- Shipping height: 51mm
- Shipping width: 64mm
- Shipping length: 102mm
- UPC: 090255263336

Safety Instruction Guide for 6.5MM (.264") 147 GRAIN ELD MATCH BULLETS

Introduction

Thank you for choosing Hornady 6.5MM (.264") 147 GRAIN ELD MATCH BULLETS. This guide provides important safety instructions to ensure the safe use of this product. Please read this document carefully before using the bullets to understand the necessary precautions and guidelines.

General Safety Guidelines

- Ensure safe use of all nonfood products, including new technologies and online purchases.
- Be aware of risks that may not be addressed by other EU laws.
- Regularly check for recall updates on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.
- Understand that online shopping provides the same protections as physical stores.
- Special safeguards are in place for vulnerable groups, including children.
- All products must have a designated EUbased contact for safety inquiries.

Specific Safety Precautions for Use

- Always handle bullets with care, treating them as potentially hazardous materials.
- Store bullets in a cool, dry place away from direct sunlight and heat sources.
- Keep bullets out of reach of children and unauthorized users.
- Do not use damaged or deformed bullets; inspect them before use.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling bullets.
- Follow all local laws and regulations regarding the use and storage of ammunition.
- Only use the bullets in firearms that are compatible with the specified caliber (6.5mm).

Instructions for Installation and Usage

- Before use, ensure that your firearm is clean and in good working condition.
- Load bullets according to the manufacturer's instructions for your specific firearm.
- Aim and fire in a safe direction, ensuring that the area is clear of people and obstacles.
- Follow all safety protocols for shooting ranges or designated shooting areas.
- After firing, clean your firearm as per the manufacturer's guidelines to maintain optimal performance.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash; contact local authorities for proper disposal methods.
- Ensure that all spent casings and bullet remnants are collected and disposed of safely.

Contact Information for Further Support

For any safety inquiries or further information regarding the use of Hornady 6.5MM (.264") 147 GRAIN ELD MATCH BULLETS, please refer to the designated EUbased contact provided with the product packaging or on the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety is our priority.
