

30 CALIBER TIPPED MATCHKING BULLETS - SIERRA BULLETS TIPPED MATCHKING 30 CALIBER (0.308") 195GR PTBT 500/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Sierra has enhanced a segment of the MatchKing line by adding the acetal resin tip, thus crowning the Tipped MatchKing (TMK) bullet line. The major advantage of adding a tip to the bullet is the reduction of drag, producing a more favorable ballistic coefficient. Another benefit is reliable feeding in magazine fed firearms. Although the MatchKing line is recognized around the world for record setting accuracy, like their untipped counterparts, Tipped MatchKing (TMK) bullets are not recommended for hunting anything larger than varmints. Having heavier jackets than our Hornet or Blitz line of bullets, these bullets will not provide the same explosive expansion on small varmints.

Attributes

- Name: [SIERRA BULLETS TIPPED MATCHKING 30 CALIBER \(0.308"\) 195GR PTBT 500/BOX](#)
- Manufacturer: [SIERRA BULLETS](#)
- Product no.: 749017055
- Mfr. No.: 7795C
- Ballistic Coefficient (G1): -
- Brand Style: MatchKing
- Bullet Style: Tipped MatchKing (TMK)
- Caliber: 30 Caliber
- Diameter (in): 0.308
- Grain: 195
- Sectional Density: -
- Quantity: 500
- Delivery weight: 5.039kg
- UPC: 092763577950

Safety Instruction Guide for 30 Caliber Tipped MatchKing Bullets

Introduction

Thank you for choosing the 30 Caliber Tipped MatchKing Bullets from Sierra Bullets. This guide provides essential safety instructions to ensure safe handling, storage, and disposal of these bullets. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding the use and storage of ammunition.
- Always handle ammunition with care to prevent accidents.
- Store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized individuals.
- Regularly check for any recalls or safety alerts related to this product on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always use appropriate firearms that are designed to handle 30 caliber ammunition.
- Wear safety glasses and hearing protection when using firearms.
- Do not use damaged or corroded ammunition.
- Avoid exposing ammunition to extreme temperatures or humidity.
- Do not mix different types or brands of ammunition in your firearm.
- Ensure that the firearm is pointed in a safe direction at all times.
- Follow the manufacturer's instructions for your specific firearm when loading and firing.

Instructions for Installation and Usage

1. Loading the Firearm:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and visually inspect the chamber to ensure it is clear.
- Insert the Tipped MatchKing bullets into the magazine according to the manufacturer's guidelines.

2. Firing the Bullets:

- Make sure you are in a safe shooting area.
- Load the firearm and close the action securely.
- Aim at the target and ensure your backstop is safe.
- Pull the trigger only when you are ready to fire.

3. PostUse Procedures:

- After shooting, unload the firearm and visually inspect the chamber to ensure it is clear.
- Store any remaining ammunition in a secure location.

Disposal Instructions

- Dispose of unused or expired ammunition according to local regulations.
- Do not throw ammunition in the trash or burn it.
- Contact local authorities or a licensed disposal facility for safe disposal options.

Contact Information for Further Support

For any safety inquiries or concerns regarding the 30 Caliber Tipped MatchKing Bullets, please refer to the official Sierra Bullets website or contact your local dealer for assistance.

Thank you for prioritizing safety while using the 30 Caliber Tipped MatchKing Bullets. Your adherence to these guidelines will help ensure a safe and enjoyable shooting experience.
