## Safety Instruction Guide

### Introduction

Thank you for choosing the BULLET PULLER from MEC Reloading. This product is designed to help you disassemble cartridges quickly and efficiently, saving you both time and money. It is important to use this product safely and correctly to ensure your wellbeing and the proper functioning of the tool. Please read this safety instruction guide thoroughly before use.

### General Safety Guidelines

- Always use the Bullet Puller in a wellventilated area to prevent inhalation of any particulates.
- Ensure that your workspace is clean and free from distractions.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly inspect the Bullet Puller for any signs of damage or wear before use.
- In case of any accidents or injuries, seek medical assistance immediately.

### Specific Safety Precautions for Use

- Use only the recommended cartridge types for the Bullet Puller to avoid malfunctions.
- Always wear safety goggles to protect your eyes from flying debris.
- Use a sturdy, flat surface when striking the Bullet Puller to ensure stability and safety.
- Do not place your hands or any body part in the path of the Bullet Puller during operation.
- Ensure that the cap piece is securely attached to the cartridge before striking.
- If the bullet does not dislodge after a few strikes, do not force it; seek professional assistance.

### Instructions for Installation and Usage

#### 1. Preparation:

- Gather all necessary materials, including the Bullet Puller and the cartridges you wish to disassemble.
- Ensure you have a suitable striking surface that is hard and flat.

#### 2. Inserting the Cartridge:

- Insert the cartridge into the Bullet Puller with the corresponding cap piece securely attached.
- Ensure the cartridge is seated properly within the Bullet Puller.

#### 3. Striking the Bullet Puller:

- Hold the Bullet Puller firmly with one hand.
- With the other hand, strike the Bullet Puller against the hard flat surface.
- The force of the blow should dislodge the bullet from the cartridge.

#### 4. Retrieving Components:

- Once the bullet is dislodged, carefully retrieve the components from the Bullet Puller.
- Inspect the bullet and cartridge for any damage before reuse.

#### 5. PostUse Care:

- Clean the Bullet Puller after each use to maintain its efficiency.

- Store the Bullet Puller in a safe place, away from children and unauthorized users.

## **Disposal Instructions**

- Dispose of any disassembled components according to local regulations.
- Ensure that all hazardous materials are disposed of in a safe manner to prevent environmental harm.

## **Contact Information for Further Support**

For safety inquiries or further assistance, please reach out to the manufacturer or your local retailer.

Thank you for following these safety instructions. Your safety is our priority, and we hope you enjoy using the BULLET PULLER from MEC Reloading responsibly.
