# Safety Instruction Guide for 38 SUPER +P BRASS STARLINE 38 SUPER +P BRASS

## Introduction

Thank you for choosing the 38 Super +P Brass by Starline. This product is designed for use in firearms and is manufactured to the highest quality standards. The following safety guidelines are provided to ensure safe handling, usage, and disposal of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle ammunition with care and store it in a safe, dry place.
- Keep the product out of reach of children and unauthorized users.
- Ensure that the ammunition is suitable for your firearm model before use.
- Regularly check for any signs of damage or defects in the ammunition before use.
- In case of any accidents or malfunctions, report them to the relevant authorities.

## Specific Safety Precautions for Use

- Only use the 38 Super +P Brass in firearms specifically designed for this caliber.
- Do not exceed the recommended load limits when reloading.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Never point a firearm at anything you do not intend to shoot.
- Ensure that the firearm is always pointed in a safe direction during loading, unloading, and firing.

## Instructions for Installation and Usage

### • Installation:

- Ensure that the firearm is unloaded before inserting the ammunition.
- Check the chamber for any obstructions before loading.
- Insert the 38 Super +P Brass into the magazine or chamber, following the manufacturer's instructions for your specific firearm model.

### • Usage:

- Always follow the firearm manufacturer's guidelines for operation.
- Keep your finger off the trigger until you are ready to fire.
- Be aware of your surroundings and ensure a clear line of sight before firing.
- After use, properly clean and maintain your firearm according to the manufacturer's instructions.

## Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not dispose of ammunition in regular household waste.
- Contact local authorities or hazardous waste disposal facilities for safe disposal options.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the 38 Super +P Brass, please refer to the appropriate contact points provided by your retailer or local authorities.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on responsible handling and use of this product.
