

# TRIPLE-SHOCK X 6.5MM (0.264") BULLETS - BARNES BULLETS TSX 6.5MM (0.264") BOAT TAIL 130GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

This lead-free, 100% copper-constructed bullet provides extreme penetration every time. Typically, this premium hunting bullet retains 100% of its original weight even after smashing through dense tissue and heavy bone. The Triple - Shock bullet design incorporates a series of precisely positioned rings cut into the bullet's body. These grooves relieve firing pressure, allowing the TSX to be safely loaded to higher velocities while reducing copper fouling. The bonus is that this is one of the most accurate hunting bullets you can buy.

## Attributes

- Name: [BARNES BULLETS TSX 6.5MM \(0.264"\) BOAT TAIL 130GR 50/BOX](#)
- Manufacturer: [BARNES BULLETS](#)

# Safety Instruction Guide for TRIPLESHTOCK X 6.5MM (0.264") BULLETS

## Introduction

Thank you for choosing the TRIPLESHTOCK X 6.5MM (0.264") BULLETS by BARNES BULLETS. This guide provides essential safety information to ensure the safe use of this product. Please read and understand these instructions carefully before using the bullets.

## General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding the use of ammunition and firearms.
- Always handle bullets and firearms with care to prevent accidents.
- Store bullets in a cool, dry place away from heat sources and direct sunlight.
- Keep bullets out of the reach of children and unauthorized persons.
- Report any unsafe products or incidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling or using bullets.
- Ensure that your firearm is compatible with 6.5mm bullets before use.
- Do not exceed the recommended load specifications for your firearm.
- Inspect bullets for any signs of damage or defects before use.
- Avoid using damaged or deformed bullets, as they may cause malfunctions or accidents.
- Do not attempt to modify or alter the bullets in any way.
- Use bullets only for their intended purpose—hunting or target shooting.

## Instructions for Installation and Usage

- Before loading, ensure that the firearm is pointed in a safe direction and the safety is engaged.
- Load bullets according to the manufacturer's specifications and your firearm's manual.
- Confirm that the bullet is seated correctly in the chamber before firing.
- Follow safe shooting practices, including:
  - Always identify your target and what lies beyond it.
  - Maintain a proper shooting stance and grip on the firearm.
  - Keep your finger off the trigger until you are ready to shoot.
- After shooting, unload the firearm in a safe manner and store bullets separately.

## Disposal Instructions

- Dispose of any unused or expired bullets in accordance with local regulations.
- Do not dispose of bullets in regular household waste.
- Contact local authorities or waste disposal facilities for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or additional support, please refer to the manufacturer's contact details provided with the product packaging.
