# CHARGEMASTER SUPREME Safety Instruction Guide

## Introduction

Thank you for choosing the CHARGEMASTER SUPREME by RCBS. This guide provides essential safety information to ensure the safe and effective use of your powder dispenser. Please read this manual thoroughly before using the product to familiarize yourself with its features and safety precautions.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, as outlined in this manual.
- Keep the product out of reach of children and vulnerable individuals.
- Always use the product in a wellventilated area to avoid inhaling any dust or powder.
- Do not use the dispenser near open flames or in damp environments to prevent electrical hazards.
- Regularly inspect the product for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding the storage and use of powders.

## Specific Safety Precautions for Use

- **Electrical Safety:**
  - Ensure that the power supply matches the specifications provided in the product manual.
  - Do not operate the product with wet hands or in wet conditions.
- **Bluetooth Connectivity:**
  - When using the Bluetooth feature, ensure that your device is compatible with the RCBS app.
  - Keep your device updated to avoid connectivity issues.
- **Powder Handling:**
  - Use only the recommended types of powder as specified in the product manual.
  - Avoid overloading the powder hopper to prevent spills and potential hazards.
- **User Training:**
  - Only trained individuals should operate the CHARGEMASTER SUPREME to ensure safe use.
  - Familiarize yourself with the operation of the touchscreen display before use.

## Instructions for Installation and Usage

### 1. Installation:

- Place the CHARGEMASTER SUPREME on a stable, flat surface away from direct sunlight and moisture.
- Ensure that the power cord is securely connected to a suitable power outlet.

### 2. Setup:

- Turn on the device using the power button located on the front panel.
- Follow the onscreen instructions to connect to the RCBS app via Bluetooth if desired.

### 3. **Using the Powder Dispenser:**

- Fill the powder hopper with the appropriate powder, ensuring not to exceed the maximum capacity.
- Select the desired charge weight using the touchscreen display.
- Press the dispense button to begin the dispensing process.
- Monitor the dispensing process to ensure accuracy and safety.

### 4. **PostUse:**

- After use, turn off the device and unplug it from the power outlet.
- Clean the powder hopper and surrounding area to avoid powder residue buildup.

## **Disposal Instructions**

- Dispose of the CHARGEMASTER SUPREME in accordance with local waste management regulations.
- Do not dispose of electrical components in regular household waste. Check for recycling programs in your area.
- Ensure that any remaining powder is disposed of safely and in accordance with local regulations.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the contact details provided in the product packaging or on the official RCBS website. Always ensure that you have the product model and serial number ready when seeking support.

Please remember that safety is paramount when using any product. By following these guidelines, you can ensure a safe and effective experience with your CHARGEMASTER SUPREME.
