# **Safety Instruction Guide for SINGLE STAGE PRESS EZ PRIME MEC RELOADING EZ PRIME "V" FOR 600 JR. MARK V & VERSA MEC 700 20 GAUGE**

## **Introduction**

Thank you for choosing the EZ Prime "V" for 600 Jr. Mark V & Versa MEC 700. This guide provides important safety instructions to ensure the safe use of this product. Please read this guide carefully before using the product to minimize risks and enhance your reloading experience.

## **General Safety Guidelines**

- Always follow the manufacturer's instructions and guidelines for safe operation.
- Ensure that the reloading area is wellventilated and free from any flammable materials.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Use only recommended components and materials for reloading.
- Never exceed the maximum load specifications provided by the manufacturer.
- Always wear appropriate personal protective equipment, such as safety glasses and gloves, when operating the press.
- Ensure that the press is securely mounted to a stable surface to prevent tipping or movement during use.
- Do not attempt to modify or alter the product in any way.
- Always keep your hands and other body parts clear of moving parts during operation.
- Be cautious of potential pinch points when using the press.
- If you experience any malfunctions or unusual noises, stop using the product immediately and consult the manufacturer.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Choose a stable and flat surface for mounting the press.
- Use appropriate hardware to securely attach the press to the surface.
- Ensure that the press is level and stable before use.

### **2. Usage:**

- Before starting, ensure all components are clean and free of debris.
- Load the reloading components as per the manufacturer's instructions.
- Operate the press with a steady and controlled motion.
- After use, clean the press and store it in a dry place.

## **Disposal Instructions**

- Dispose of any unused or expired reloading components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check with local authorities for proper disposal methods.

- Ensure that all components are deactivated and rendered unusable before disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the EZ Prime "V" for 600 Jr. Mark V & Versa MEC 700, please refer to the manufacturer's contact details provided with your product packaging or on the manufacturer's official website.

By following these safety instructions, you can ensure a safe and effective reloading experience with your EZ Prime "V". Thank you for your attention to safety.
