

LRX 338 CAL (.338") POLYMER TIP RIFLE BULLETS - BARNES BULLETS LRX 338 CALIBER (0.338") POLYMER TIP BT 280GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Long-range hunting just got easier with the Long-Range X Bullet® (LRX) line. No lead, just 100% copper bullets designed after the Tipped Triple Shock™ X Bullet®. Features larger ogive and boat tail lengths to increase the B.C. values for improved long-range ballistic performance. The polymer tip starts the bullet expansion, opening the nose cavity instantly on contact, which doubles the bullet's original diameter. Four cutting petals guarantee extensive internal damage for a clean, quick kill.

LRX 338 CAL (.338") POLYMER TIP RIFLE BULLETS

CONSUMER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the LRX 338 CAL (.338") Polymer Tip Rifle Bullets by Barnes Bullets. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this document carefully before use.

General Safety Guidelines

- **Product Safety:** Always handle and use the rifle bullets as instructed to ensure safety. This product is designed for longrange hunting and should only be used in appropriate firearms.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a recall notice, follow the instructions provided to return or replace the product.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety standards similar to those of physical stores.
- **Special Consumer Focus:** Keep this product away from children and vulnerable individuals. Ensure that only responsible and trained individuals handle the rifle bullets.
- **EU Contact Point:** For any safety inquiries, refer to the manufacturer or retailer where the product was purchased.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates regarding unsafe products.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by adults only. Ensure that minors do not have access to these bullets.
- **Storage:** Store the bullets in a cool, dry place away from direct sunlight and moisture. Keep them in their original packaging when not in use.
- **Handling:**
 - Always treat the bullets as if they are loaded.
 - Do not point the bullets at anything you do not intend to shoot.
 - Avoid handling the bullets with wet or oily hands.
- **Usage:**
 - Use only in firearms that are compatible with .338 caliber bullets.
 - Follow the firearm manufacturer's guidelines for loading and firing.
 - Ensure that the firearm is in good working condition before use.
- **Transportation:** When transporting the bullets, ensure they are securely stored in a designated container to prevent accidental discharge.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded before attempting to load the bullets.
- Follow the specific loading instructions provided by your firearm's manufacturer.
- Insert the bullet into the chamber or magazine as directed.

2. Usage:

- Always wear appropriate safety gear, including eye and ear protection, when firing.
- Be aware of your surroundings and ensure a safe shooting environment.
- After firing, inspect the firearm for any malfunctions or damage before reloading.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not dispose of bullets in regular household waste.
- Contact local authorities or waste management services for guidance on the proper disposal of ammunition.

Contact Information for Further Support

For further assistance regarding safety inquiries or product information, please reach out to the retailer or manufacturer where you purchased the product.

Thank you for prioritizing safety while using the LRX 338 CAL (.338") Polymer Tip Rifle Bullets. Your adherence to these guidelines will help ensure a safe and enjoyable hunting experience.
