# **Safety Instructions for FOAM EAR PLUGS HOWARD LEIGHT FOAM EAR PLUG, 100 CT**

## **Introduction**

Thank you for choosing the FOAM EAR PLUGS HOWARD LEIGHT FOAM EAR PLUG. These earplugs are designed to provide high levels of noise reduction (NRR 33 dB) to protect your hearing in loud environments. Please read and follow these safety instructions carefully to ensure safe use and maximum effectiveness.

## **General Safety Guidelines**

- Ensure the product is suitable for your needs and intended use.
- Keep out of reach of children and vulnerable individuals.
- Inspect the earplugs for any damage or defects before use.
- Use only as directed; improper use may reduce effectiveness and safety.
- If you experience discomfort or irritation, discontinue use immediately.
- Report any unsafe products or incidents to relevant authorities.

## **Specific Safety Precautions for Use**

- These earplugs are designed for singleuse only. Do not reuse.
- Do not use earplugs if you have a history of ear infections or earrelated issues without consulting a healthcare professional.
- Ensure a proper fit by following the usage instructions carefully to maximize noise reduction.
- Avoid using earplugs while swimming or engaging in activities where water exposure may occur.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Wash your hands thoroughly before handling the earplugs.
- Ensure the earplugs are clean and free from any contaminants.

### **2. Insertion:**

- Roll the earplug into a small, thin cylinder using your fingers.
- With the opposite hand, reach over your head and pull the top of your ear upwards to open the ear canal.
- Insert the rolled earplug into the ear canal gently.
- Hold in place until the earplug expands to fill the ear canal comfortably.

### **3. Removal:**

- To remove, grasp the earplug and gently twist while pulling it outwards.
- Dispose of the earplug after use. Do not attempt to clean or reuse.

### **4. Storage:**

- Store in a cool, dry place away from direct sunlight.
- Keep the earplugs in their original packaging or a clean container to maintain hygiene.

## **Disposal Instructions**

- Dispose of used earplugs in accordance with local waste disposal regulations.
- Do not flush earplugs down the toilet or dispose of them in a manner that could cause environmental harm.

## **Contact Information for Further Support**

For any safety inquiries or additional information regarding this product, please contact the manufacturer or refer to the product packaging for further assistance.

By following these guidelines, you can ensure the safe and effective use of your FOAM EAR PLUGS HOWARD LEIGHT FOAM EAR PLUG. Thank you for prioritizing your hearing safety!
