

RIFLE CLEANING RODS - BORE TECH 30 CALIBER 25" CLEANING ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

The Bore Tech Proof Positive Bore Stix feature a proprietary alloy ferrule which eliminates any false indication of copper fouling in your bore. This paired with a new chemically resistant coating make the Proof Positive rods some of the finest available. Proof Positive Bore Stix feature caliber-specific steel cores with a cushioned ball bearing handle, which effortlessly follows your barrel rifling. The ergonomic, cushioned handle prevents any damage to your rifle stock. Proof Positive Jags sold separately. Here's a list of Proof Positive Bore Stix features: - Proprietary alloy and secondary treatment process eliminates false copper reading - As soft and safe as brass with exceptional strength to prevent damage during use - Female ended ferrule is machined to provide an edge-free transition between rod and Proof Positive Jag. Eliminates the need for adaptors. - Highly advanced rod coating that provides anti-wear characteristics and prevents debris from embedding - Ergonomic, cushioned handle with an unparalleled ball bearing system. All .17 & .20 caliber rods use 5-40 threads. All others are 8-32.

Safety Instruction Guide for Bore Tech 30 Caliber 25" Cleaning Rod

Introduction

Thank you for choosing the Bore Tech Proof Positive Bore Stix. This product is designed to help you maintain your rifle effectively and safely. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always use the cleaning rod as intended and according to the manufacturer's instructions.
- Keep the cleaning rod out of reach of children and vulnerable individuals.
- Inspect the cleaning rod before use for any signs of damage or wear.
- Use appropriate personal protective equipment, such as gloves and safety glasses, when cleaning firearms.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- **Hazard Identification:** The cleaning rod may pose risks such as injury from sharp edges, improper handling, or misuse.
- **Avoiding Hazards:**
 - Always handle the cleaning rod with care to prevent injuries.
 - Ensure that the cleaning rod is compatible with the caliber of your firearm.
 - Do not use excessive force when cleaning to avoid damaging the rod or the firearm.
 - Do not leave the cleaning rod unattended while in use.
- **Age Specific Warnings:** This product is not intended for use by children. Adult supervision is required when used around minors.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction before cleaning.
- Gather all necessary cleaning supplies, including cleaning solvent, patches, and jags (sold separately).

2. Installation:

- Attach the appropriate Proof Positive Jag to the end of the cleaning rod. Ensure it is securely fastened.
- If using a .17 or .20 caliber rod, ensure you are using 540 threads. For all other calibers, use 832 threads.

3. Usage:

- Insert the cleaning rod into the barrel of your firearm gently, ensuring it follows the rifling.
- Use a backandforth motion to clean the bore, applying solvent as needed.
- After cleaning, remove the rod carefully to avoid scraping the barrel.
- Clean the rod after each use to maintain its integrity and performance.

Disposal Instructions

- Dispose of any cleaning materials, such as patches and solvents, in accordance with local regulations.
- The cleaning rod should be disposed of responsibly if it becomes damaged or unusable. Check with local waste management guidelines for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the safety and use of the Bore Tech Proof Positive Bore Stix, please consult your retailer or visit the Bore Tech website for additional resources and support.

By following these guidelines, you can ensure a safe and effective cleaning experience with your Bore Tech cleaning rod. Thank you for choosing our product, and happy shooting!
