

# RIFLE CLEANING RODS - BORE TECH 30 CALIBER 48" CLEANING ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

The Bore Tech Proof Positive Bore Stix feature a proprietary alloy ferrule which eliminates any false indication of copper fouling in your bore. This paired with a new chemically resistant coating make the Proof Positive rods some of the finest available. Proof Positive Bore Stix feature caliber-specific steel cores with a cushioned ball bearing handle, which effortlessly follows your barrel rifling. The ergonomic, cushioned handle prevents any damage to your rifle stock. Proof Positive Jags sold separately. Here's a list of Proof Positive Bore Stix features: - Proprietary alloy and secondary treatment process eliminates false copper reading - As soft and safe as brass with exceptional strength to prevent damage during use - Female ended ferrule is machined to provide an edge-free transition between rod and Proof Positive Jag. Eliminates the need for adaptors. - Highly advanced rod coating that provides anti-wear characteristics and prevents debris from embedding - Ergonomic, cushioned handle with an unparalleled ball bearing system. All .17 & .20 caliber rods use 5-40 threads. All others are 8-32.

## Attributes

- Name: [BORE TECH 30 CALIBER 48" CLEANING ROD](#)

# Safety Instruction Guide for Bore Tech 30 Caliber 48" Cleaning Rod

## Introduction

Thank you for choosing the Bore Tech 30 Caliber 48" Cleaning Rod. This product is designed to provide superior cleaning performance for your firearm. To ensure safe and effective use, please read and follow the instructions and safety guidelines outlined in this document.

## General Safety Guidelines

- Always handle firearms and cleaning equipment with care.
- Ensure the cleaning rod is compatible with your firearm's caliber.
- Store the cleaning rod in a dry place, away from direct sunlight and moisture.
- Keep the cleaning rod and all cleaning accessories out of reach of children.
- Use personal protective equipment (PPE) such as gloves and safety glasses when cleaning firearms.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Risk of injury from sharp edges or metal components.
- Risk of damage to the firearm if the cleaning rod is not used correctly.

### • Avoiding Hazards:

- Inspect the cleaning rod for any damage before use.
- Do not use excessive force when cleaning to prevent damage to the bore or rod.
- Ensure the firearm is unloaded before beginning the cleaning process.
- Do not use the cleaning rod if it shows signs of wear or damage.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is completely unloaded.
- Gather all necessary cleaning supplies, including the Bore Tech cleaning rod, patches, and cleaning solvent.

### 2. Using the Cleaning Rod:

- Attach the appropriate Proof Positive Jag to the cleaning rod.
- Insert the cleaning rod into the bore from the chamber end (if applicable) to avoid damaging the muzzle.
- Use a smooth, steady motion to push the cleaning rod through the bore and out the muzzle.
- Repeat the process as necessary, applying cleaning solvent to the patches or brushes as needed.
- After cleaning, ensure the rod is cleaned and stored properly.

### 3. PostUsage Care:

- Wipe down the cleaning rod with a cloth to remove any residue.

- Store the cleaning rod in its designated case or location to prevent damage.

## **Disposal Instructions**

- Dispose of any cleaning materials, such as patches and solvent containers, in accordance with local regulations.
- Do not dispose of the cleaning rod in regular household waste. Check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For any questions or concerns regarding the Bore Tech 30 Caliber 48" Cleaning Rod, please reach out to your local retailer or the manufacturer for assistance.

By following these guidelines, you can ensure the safe and effective use of your Bore Tech cleaning rod, contributing to the longevity and performance of your firearm. Thank you for your attention to these important safety measures.
