

PISTOL B STIX, 22-45 CAL 6.5 INCH - BORE TECH PISTOL B STIX, 22-45 CAL 6.5 INCH

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

The Bore Tech Proof Positive Bore Stix feature a proprietary alloy ferrule which eliminates any false indication of copper fouling in your bore. This paired with a new chemically resistant coating make the Proof Positive rods some of the finest available. Proof Positive Bore Stix feature caliber-specific steel cores with a cushioned ball bearing handle, which effortlessly follows your barrel rifling. The ergonomic, cushioned handle prevents any damage to your rifle stock. Proof Positive Jags sold separately. Here's a list of Proof Positive Bore Stix features: - Proprietary alloy and secondary treatment process eliminates false copper reading - As soft and safe as brass with exceptional strength to prevent damage during use - Female ended ferrule is machined to provide an edge-free transition between rod and Proof Positive Jag. Eliminates the need for adaptors. - Highly advanced rod coating that provides anti-wear characteristics and prevents debris from embedding - Ergonomic, cushioned handle with an unparalleled ball bearing system

Safety Instruction Guide for PISTOL B STIX, 2245 CAL 6.5 INCH

Introduction

Thank you for choosing the PISTOL B STIX, 2245 CAL 6.5 INCH by Bore Tech. This product is designed to enhance your cleaning experience while ensuring safety and efficiency. Please read this safety instruction guide carefully to ensure proper use and to understand the safety precautions necessary for your wellbeing.

General Safety Guidelines

- Ensure safe use of the PISTOL B STIX by following all instructions provided in this guide.
- Be aware of potential hazards associated with cleaning rods and related accessories.
- Always store the product out of reach of children to prevent accidents.
- Regularly check for any recalls or safety updates related to this product on the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always inspect the PISTOL B STIX for any signs of damage before each use. Do not use if damaged.
- Ensure that the cleaning rod is compatible with the caliber of your firearm.
- Use the product only for its intended purpose—cleaning the bore of firearms.
- Avoid using excessive force while cleaning to prevent damage to your firearm.
- Do not attempt to modify the PISTOL B STIX in any way.
- Wear appropriate eye protection when using the cleaning rod to protect against debris.
- Keep your workspace clean and free from distractions while using the product.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the PISTOL B STIX, cleaning solvent, and patches.

2. Using the PISTOL B STIX:

- Attach the appropriate caliber-specific jag to the end of the PISTOL B STIX.
- Apply a small amount of cleaning solvent to a patch and insert it onto the jag.
- Insert the PISTOL B STIX into the bore of the firearm, ensuring it follows the barrel rifling.
- Gently pull the rod back and forth to clean the bore, avoiding excessive force.
- Remove the patch and inspect it for residue. Repeat the cleaning process as necessary.
- After cleaning, remove the jag and clean the PISTOL B STIX according to the manufacturer's instructions.

3. PostUse Care:

- Wipe down the PISTOL B STIX with a clean cloth to remove any solvent or debris.
- Store the cleaning rod in a safe, dry place away from children and pets.

Disposal Instructions

- Dispose of any used cleaning patches and solvents according to local regulations.
- Do not dispose of the PISTOL B STIX in general waste. Instead, check with your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the PISTOL B STIX, including safety inquiries, please contact the relevant EUbased customer support. Ensure you have the product details available for reference.

By following these guidelines, you can ensure a safe and effective cleaning experience with your PISTOL B STIX. Thank you for your attention to safety.
