

V STIX, 22 CAL-6.5MM 30 INCH - BORE TECH V STIX, 22 CAL-6.5MM 30 INCH

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

Bore Tech V-Stix are packed with all the features, quality and performance you have come to expect from Bore Tech. The V-Stix utilize a caliber specific steel core and high performance coating, which is extremely chemical resistant and durable. It includes their ergonomic cushioned handle with ball bearing system - an industry favorite. Like all Bore Tech cleaning rod handles, these are caliber specific color coded. Barrel-safe female threaded brass ferrules complete this affordable package. The Bore Tech V-Stix offers a high quality cleaning rod without the high dollar price tag. Jags sold separately.

Safety Instruction Guide for Bore Tech V STIX, 22 CAL6.5MM 30 INCH

Introduction

Thank you for choosing the Bore Tech V STIX, 22 CAL6.5MM 30 INCH. This guide provides essential safety instructions to ensure the safe usage of your cleaning rod. Please read this document carefully to understand how to use and maintain the product safely.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the cleaning rod out of reach of children and vulnerable individuals.
- Always inspect the product for damage before use. Do not use if any parts are damaged.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as gloves and safety glasses, when cleaning firearms.
- Avoid using the cleaning rod near open flames or high temperatures.
- Ensure that the cleaning area is wellventilated.
- Do not use excessive force when using the cleaning rod to avoid damage to both the rod and the firearm.
- Be aware of the potential hazards associated with cleaning solvents and chemicals. Follow the manufacturer's instructions for safe handling and storage.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including bore solvent, patches, and jags (sold separately).

2. Using the Bore Tech V STIX:

- Select the appropriate caliberspecific cleaning jag that matches your firearm.
- Attach the jag to the end of the V STIX cleaning rod.
- Soak a cleaning patch in bore solvent and place it on the jag.
- Insert the cleaning rod into the firearm's bore gently, ensuring it fits properly.
- Pull the rod through the bore, applying even pressure without forcing it.
- Repeat the process as necessary, changing patches and solvents as needed for effective cleaning.

3. PostUse Care:

- After use, clean the V STIX rod with a mild solvent and a soft cloth to remove any residue.
- Store the cleaning rod in a safe, dry place away from sunlight and moisture.

Disposal Instructions

- Dispose of any used cleaning patches and solvents according to local disposal regulations.
- Do not dispose of the cleaning rod in regular household waste if it is damaged. Check local guidelines for the proper disposal of metal and plastic materials.

Contact Information for Further Support

For any inquiries or concerns regarding the Bore Tech V STIX, please refer to the manufacturer's contact information provided with your product packaging or visit the official Bore Tech website for assistance.

Thank you for following these safety instructions. Your adherence to these guidelines ensures a safe and effective cleaning experience.
