

# WIN 66/73/92/94 MAGAZINE TUBES - REDMANS .645 MAGAZINE TUBE

[Rifle Parts](#) > [Receiver Parts](#) > [Magazine Parts](#) > [Magazine Tubes](#)

## Better Than Original For Winchester & Marlin Lever Actions

Two sizes of magazine tubes replace the often-dinged, tough-to-fix (and even harder to find) tubes on most older Winchester and Marlin levers with Winchester dimensions. Seamless tubes (originals were seamed) restore proper functioning and good looks; simplify future repairs. Gunsmith fitting required. .645 tube ships in the white, may require polishing prior to fitting.

## Attributes

- Name: [REDMANS .645 MAGAZINE TUBE](#)

# WIN 66/73/92/94 MAGAZINE TUBES REDMANS .645 MAGAZINE TUBE Safety Instructions

## Introduction

Thank you for choosing the WIN 66/73/92/94 MAGAZINE TUBES REDMANS .645 MAGAZINE TUBE. This guide provides essential safety instructions to ensure the safe use and installation of your magazine tube. Please read this document thoroughly before use.

## General Safety Guidelines

- Ensure that the magazine tube is compatible with your firearm model before installation.
- Always handle firearms and accessories with care, following standard safety protocols.
- Store the magazine tube in a safe location, away from children and unauthorized users.
- Regularly inspect the magazine tube for signs of wear or damage.
- In case of any doubts or concerns regarding the product, consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Gunsmith fitting is required for installation. Do not attempt to fit the magazine tube yourself if you are not experienced.
- The .645 tube ships in the white and may require polishing before fitting. Ensure proper polishing techniques are followed to avoid damage.
- Do not use the magazine tube if it shows any signs of damage or if it does not fit properly after installation.
- Always ensure that the firearm is unloaded before installing or removing the magazine tube.
- Follow all local laws and regulations regarding firearm accessories.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your workspace is clean and welllit.
- Gather necessary tools for installation, including polishing materials if required.

### 2. Fitting the Magazine Tube:

- Consult a qualified gunsmith for proper fitting. Provide the gunsmith with the firearm model and the magazine tube specifications.
- If polishing is needed, carefully polish the tube to achieve a smooth finish.

### 3. Installation:

- Once fitted, follow the gunsmith's instructions for installing the magazine tube onto your firearm.
- Ensure that the magazine tube is securely attached and functions properly before use.

### 4. PostInstallation Check:

- After installation, test the magazine tube with dummy rounds to ensure proper functioning.
- Check for any misalignment or issues during the testing phase.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the magazine tube becomes damaged or is no longer usable, consult local waste disposal guidelines for firearms accessories.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the WIN 66/73/92/94 MAGAZINE TUBES REDMANS .645 MAGAZINE TUBE, please consult with a qualified gunsmith or your local firearm safety authority.

By following these safety instructions, you can ensure the proper and safe use of your magazine tube. Thank you for your attention to safety, and enjoy your product responsibly.
