Safety Instruction Guide for RUGER® 10/22® Extended Charging Handle

Introduction

Thank you for choosing the RUGER® 10/22® Extended Charging Handle manufactured by FORCE PRODUCTIONS INC. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the charging handle is compatible with your RUGER® 10/22® model.
- Always handle firearms and accessories with care and in accordance with local laws and regulations.
- Keep the charging handle away from children and unauthorized users.
- Regularly inspect the charging handle for any signs of wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or using the charging handle.
- Do not attempt to force the charging handle if it does not fit properly; check for compatibility.
- Avoid using the charging handle if it shows any signs of damage or excessive wear.
- When charging the firearm, maintain a safe distance from others and ensure the muzzle is pointed in a safe direction.
- Use the charging handle only as intended; do not modify or alter the product in any way.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing charging handle if applicable.
- Align the new charging handle with the designated slot on the firearm.
- Insert the guide pin into the appropriate hole to secure the handle.
- Ensure that the handle is fully seated and operates smoothly.

2. Usage:

- To charge the firearm, firmly grasp the extended charging handle.
- Pull back swiftly to chamber a round or clear a jam.
- Always ensure that your fingers are clear of the action when charging the firearm.

Disposal Instructions

- Dispose of the charging handle in accordance with local regulations.
- If the charging handle is damaged or no longer usable, ensure it is disposed of in a manner that prevents accidental use.
- Do not dispose of the product in regular household waste; check for recycling options in your area.

Contact Information for Further Support

For any questions or concerns regarding the RUGER® 10/22® Extended Charging Handle, please refer to the product packaging for manufacturer contact details or consult your local dealer for assistance.

Thank you for your attention to these safety guidelines. Your safety is our priority.
