# MAGAZINE SPRING PERFORMANCE PACKAGE

## SAFETY INSTRUCTIONS

### Introduction

Thank you for choosing the Magazine Spring Performance Package by Scattergun Technology, designed specifically for Remington models 870, 1100, and 1187. This product enhances the performance and reliability of your shotgun. To ensure safe and effective use, please read this safety instruction guide carefully.

### General Safety Guidelines

- Always handle firearms with care and respect. Treat every firearm as if it is loaded.
- Ensure that you are familiar with the operation and safety features of your shotgun before installation and use.
- Store the Magazine Spring Performance Package and your shotgun in a secure location, out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection when using your firearm.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Report any unsafe products or incidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Ensure that the shotgun is unloaded before attempting any installation or maintenance.
- Inspect the Magazine Spring Performance Package for any visible damage before installation. Do not use if damaged.
- Follow the installation instructions carefully to avoid improper fitting, which could lead to malfunction.
- Do not exceed the recommended number of rounds in the magazine, as this may cause jams or other issues.
- Be aware of your surroundings and ensure that you are in a safe environment when using your shotgun.

### Instructions for Installation and Usage

#### 1. Preparation:

- Gather all necessary tools and materials before beginning installation.
- Ensure your shotgun is unloaded and in a safe condition.

#### 2. Installation Steps:

- Remove the existing magazine spring and follower from your shotgun.
- Insert the new fluorescent green follower from the Magazine Spring Performance Package into the magazine tube.
- Install the Wolff spring, ensuring it is properly seated and free from any obstructions.
- Reassemble the magazine tube and ensure it is securely fastened.

#### 3. Usage:

- Load the shotgun according to the manufacturer's guidelines.
- Test the functionality of the new components by cycling through the ammunition before actual use.
- If you experience any feeding issues, check the installation and ensure that all components are correctly fitted.

## **Disposal Instructions**

- Dispose of any old or unused components in accordance with local regulations.
- Do not dispose of the Magazine Spring Performance Package in regular household waste.
- Contact your local waste management authority for proper disposal methods for firearm accessories.

## **Contact Information for Further Support**

For any questions or concerns regarding the Magazine Spring Performance Package, please refer to the manufacturer's contact information provided with your product packaging. Ensure you have the product details on hand for efficient support.

By following these safety instructions, you can enhance your experience with the Magazine Spring Performance Package while ensuring safe usage of your firearm. Thank you for your attention to these important safety guidelines.
