

REMINGTON 870/1100/11-87 EXTENDED MAGAZINE TUBE - SCATTERGUN TECHNOLOGY REMINGTON 870/1100/11-87 EXT MAG TUBE LEFT-SIDE LOOP, 1RD

[Shotgun Parts](#) > [Magazine Tube Parts](#) > [Magazine Tube Extensions](#)

Adds One Or Two Additional Rounds To Your Remington Shotgun

Machined steel magazine extensions increase capacity without gunsmithing or permanent alterations to your Remington 870, 1100 or 11-87 shotgun. Knurled, threaded collar screws onto the end of the mag tube. Includes high-performance, extended length magazine spring and an unbreakable, high-visibility, nylon follower. Loop models features a stationary loop on the left side of the extension to accept direct attachment of tactical-style slings without swivels. QD stud models include a quick-detach, swivel stud mounted either in the center of the magazine cap or at the front of a plate below the extension to accept slings with quick-detach swivels. All models fit 12 gauge only.

REMINGTON 870/1100/1187 Extended Magazine Tube Safety Instructions

Introduction

Thank you for purchasing the REMINGTON 870/1100/1187 Extended Magazine Tube from SCATTERGUN TECHNOLOGY. This guide provides essential safety information, installation instructions, and proper usage guidelines to ensure your safety and the safe operation of your shotgun. Please read this manual carefully before using the product.

General Safety Guidelines

- Ensure that you are familiar with the operation of your Remington shotgun before using the extended magazine tube.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Store the extended magazine tube and your shotgun in a secure location, out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding the use and storage of firearms and ammunition.
- Use only compatible ammunition specified for your shotgun model.
- Regularly inspect the magazine tube and shotgun for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not modify the magazine tube or your shotgun in any way that could compromise safety.
- Ensure that the magazine tube is securely attached before loading ammunition.
- Always keep the muzzle pointed in a safe direction when handling your firearm.
- Use the magazine tube only with the specified models (Remington 870, 1100, 1187) and gauge (12 gauge).
- Do not exceed the magazine capacity specified for your shotgun.
- Avoid using the extended magazine tube in adverse weather conditions that may affect performance.

Instructions for Installation and Usage

1. Installation:

- Ensure that your shotgun is unloaded and the safety is engaged.
- Remove the existing magazine cap from your shotgun.
- Thread the knurled, threaded collar of the magazine extension onto the end of the magazine tube.
- Tighten the collar securely to ensure a proper fit.
- If applicable, attach the stationary loop or quickdetach swivel stud as per your preference.
- Insert the highperformance, extended length magazine spring and the nylon follower into the magazine tube.
- Replace the magazine cap, ensuring it is secure.

2. Usage:

- Load the magazine tube with the appropriate 12 gauge ammunition.
- Ensure the shotgun is in a safe condition before attempting to fire.
- Use the magazine tube as intended, adhering to the specified capacity.
- After use, unload the shotgun and inspect the magazine tube for any issues.

Disposal Instructions

- Dispose of the extended magazine tube responsibly and in accordance with local regulations.
- Do not dispose of in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the REMINGTON 870/1100/1187 Extended Magazine Tube, please refer to the manufacturer's contact information provided with the product or visit their official website for assistance.

By adhering to these safety instructions and guidelines, you can ensure the safe and effective use of your REMINGTON 870/1100/1187 Extended Magazine Tube. Always prioritize safety in all aspects of firearm handling and maintenance. Thank you for choosing SCATTERGUN TECHNOLOGY.
