

REMINGTON 700 BARREL - SHILEN 308 WINCHESTER 1-10 TWIST #5.5 CHROME MOLY BARREL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Short-Chambered; Pre-Threaded To Fit Remington 700 Actions

The fastest, most convenient method available to any gunsmith for rebarreling and accurizing the fine Remington 700 action. Now you can provide your customers with the increased accuracy and superior performance that only a custom, match-quality barrel can deliver without time-consuming and costly lathe work. Brownells match-grade barrels are pre-threaded and short-chambered for ease of installation. Plus, the bolt body counterbore is fully cut. Groove tolerances are uniform to within .0003" end-to-end and air-gauged to ensure conformity. After installation, use a hand-turned finish reamer to deepen chamber until correct head space is reached, (correct Reamer and Headspace Gauges required). Made to our specifications by Shilen.

Safety Instruction Guide for REMINGTON 700 BARREL SHILEN 308 WINCHESTER 110 TWIST #5.5 CHROME MOLY BARREL

Introduction

Thank you for choosing the REMINGTON 700 BARREL SHILEN 308 WINCHESTER 110 TWIST #5.5 CHROME MOLY BARREL. This guide provides important safety instructions and guidelines to ensure safe and effective use of the product. Please read and follow these instructions carefully.

General Safety Guidelines

- Ensure that you are familiar with the firearm and its operation before using this barrel.
- Always treat firearms as if they are loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the barrel and firearm in a secure location, out of reach of unauthorized users, especially children.
- Use only the recommended ammunition type for this barrel.
- Regularly inspect the barrel for signs of wear or damage before use.
- If you experience any malfunctions, do not attempt to repair the barrel yourself. Seek professional assistance.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure that the firearm is unloaded before installing or removing the barrel.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.
- Follow all local laws and regulations regarding firearm usage and modifications.
- Do not exceed the recommended headspace when using the barrel. Use the correct reamer and headspace gauges as specified.
- Avoid using the barrel if it has been damaged or shows signs of excessive wear.

Instructions for Installation and Usage

- Before installation, ensure that you have the necessary tools and equipment, including a handturned finish reamer and headspace gauges.
- Follow these steps for safe installation:
 1. **Preparation:** Ensure the firearm is completely unloaded and pointed in a safe direction.
 2. **Remove the Existing Barrel:** Carefully remove the existing barrel from the Remington 700 action following the manufacturer's guidelines.
 3. **Install the New Barrel:** Align the new Shilen barrel with the action and thread it in place.
 4. **Check Chamber Depth:** Use the handturned finish reamer to deepen the chamber until the correct headspace is reached.
 5. **Secure the Barrel:** Ensure that the barrel is securely fastened to the action.
- After installation, perform a thorough inspection of the firearm to ensure everything is in proper working order.
- Test the firearm in a controlled environment to confirm functionality and safety before regular use.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling guidelines.
- If the barrel or any associated components become unusable, consult local regulations for proper disposal methods.

- Never dispose of firearms or firearm components in a manner that could pose a risk to the public or the environment.

Contact Information for Further Support

For any safety inquiries or concerns regarding the REMINGTON 700 BARREL SHILEN 308 WINCHESTER 110 TWIST #5.5 CHROME MOLY BARREL, please contact the manufacturer or your local firearm dealer for assistance.

Conclusion

Following these safety instructions will help ensure a safe and enjoyable experience with your REMINGTON 700 BARREL SHILEN 308 WINCHESTER 110 TWIST #5.5 CHROME MOLY BARREL. Always prioritize safety and be aware of your responsibilities as a firearm owner. Thank you for your attention to these important guidelines.
