

AMERICAN PRIDE OUTSIDE MICROMETERS - STARRETT 0-1", AMERICAN PRIDE OUTSIDE MICROMETER

[Reloading](#) > [Measuring Tools](#) > [Micrometers](#)

AMERICAN PRIDE OUTSIDE MICROMETERS The Starrett American Pride Micrometers are precision measuring instruments designed for gunsmiths and machinists who require accurate dimensional assessments of firearm components. These micrometers ensure precise measurements, which are essential for maintaining tight tolerances during firearm assembly and customization.

Key Features:

- High-Precision Measurement:** Provides accurate readings to the nearest 0.0001 inches, allowing for meticulous evaluations of critical firearm parts.
- Durable Construction:** Built with high-quality materials to withstand regular use in demanding workshop environments, ensuring long-term reliability.
- Clear Scale Markings:** Features easy-to-read graduations, facilitating quick and precise measurements without ambiguity.
- Smooth Operation:** Equipped with a friction thimble or ratchet stop to ensure consistent pressure during measurement, enhancing accuracy.

Specifications:

- Measurement Range:** Typically, 0 to 1 inch, suitable for a variety of small firearm components.
- Resolution:** 0.0001 inches, providing high precision for detailed work.
- Material:** Hardened steel spindle and anvil for durability and wear resistance.
- Finish:** Satin chrome finish on the scale for glare-free reading.

Customer Insights: Customers appreciate the Starrett American Pride Micrometers for their exceptional accuracy and robust construction. The clear scale markings and smooth operation are frequently highlighted, making them a favorite among professionals who require reliable and precise measuring tools. The micrometers' ability to maintain accuracy over prolonged use adds significant value to gunsmithing and machining tasks. Incorporating the Starrett American Pride Micrometers into your toolkit ensures precise measurement of firearm components, facilitating high-quality assembly and customization.

Attributes

- Name: [STARRETT 0-1", AMERICAN PRIDE OUTSIDE MICROMETER](#)
- Manufacturer: [STARRETT](#)
- Product no.: 827000011
- Mfr. No.: APT436.1XRL-1
- Delivery weight: 0.218kg
- Shipping height: 38mm
- Shipping width: 57mm
- Shipping length: 133mm
- UPC: 049659603965

Safety Instruction Guide for AMERICAN PRIDE MICROMETERS STARRETT 01" and AMERICAN PRIDE OUTSIDE MICROMETER

Introduction

Thank you for choosing the AMERICAN PRIDE MICROMETERS STARRETT 01" and AMERICAN PRIDE OUTSIDE MICROMETER. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of these precision measuring tools. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the micrometers are used in accordance with the manufacturer's instructions.
- Inspect the micrometers for any visible damage or wear before each use.
- Store the micrometers in a clean, dry environment to prevent rust and damage.
- Always handle the micrometers with care to avoid dropping or mishandling.
- Keep the micrometers out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the micrometers only for their intended purpose, which is measuring external dimensions.
- Avoid using the micrometers in environments with extreme temperatures or humidity.
- Do not apply excessive force when measuring, as this may damage the measuring faces or affect accuracy.
- Ensure that the measuring faces are clean and free from debris before use.
- Wear appropriate personal protective equipment (PPE) if necessary, such as safety glasses.
- If you notice any irregularities in measurement, stop using the micrometers and consult a professional.

Instructions for Installation and Usage

1. Preparation:

- Remove the micrometers from their packaging and inspect for any damage.
- Ensure that the micrometers are clean and free from any obstructions.

2. Measuring:

- Open the micrometer by turning the thimble until the measuring faces are apart.
- Place the object to be measured between the measuring faces.
- Gently close the micrometer until it makes contact with the object. Avoid applying excessive pressure.
- Read the measurement on the scale, ensuring that your eyes are level with the reading for accuracy.

3. PostUse Care:

- Clean the measuring faces with a soft, dry cloth after each use.
- Store the micrometers in their protective case to prevent damage.
- Regularly check the calibration of the micrometers to ensure continued accuracy.

Disposal Instructions

- Dispose of the micrometers in accordance with local regulations regarding electronic and mechanical waste.
- If the product is no longer usable, consider recycling components where possible.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the AMERICAN PRIDE MICROMETERS STARRETT 01" and AMERICAN PRIDE OUTSIDE MICROMETER, please refer to the contact information provided by your retailer or manufacturer.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
