# LOCKNLOAD MODIFIED CASES 3006 SPRINGFIELD MODIFIED CASE Safety Instruction Guide

## Introduction

Thank you for choosing the Hornady LockNLoad Modified Cases for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read through all sections carefully before using the product.

## General Safety Guidelines

- Ensure that you are using the modified cases in compliance with the specifications outlined in the product instructions.
- Always handle ammunition and reloading components with care to prevent accidents.
- Keep modified cases out of reach of children and vulnerable individuals.
- Regularly inspect modified cases for any signs of damage or wear before use.
- Familiarize yourself with the specific features and limitations of the modified cases.

## Specific Safety Precautions for Use

- Modified cases are designed for use with the Hornady LockNLoad Gauge. Do not use them with other gauges or equipment unless specified.
- Modified cases will not work in tight neck chambers. Ensure that your chamber specifications are compatible before use.
- Do not attempt to modify or alter the cases beyond their intended design.
- Always wear appropriate safety gear, such as safety glasses and hearing protection, when reloading ammunition.
- Follow all local laws and regulations regarding ammunition and reloading practices.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your work area is clean and free of debris.
- Gather all necessary tools and materials before starting.

### 2. Using the Modified Cases:

- Insert the modified case into the Hornady LockNLoad Gauge as per the specific instructions provided with the gauge.
- Ensure that the case is seated correctly and securely before proceeding.
- Follow the gauge instructions for measuring and adjusting bullet seating depth.

### 3. After Use:

- Carefully remove the modified case from the gauge and inspect it for any signs of damage.
- Store modified cases in a cool, dry place away from direct sunlight.
- Keep a record of the modified cases used and any adjustments made for future reference.

## Disposal Instructions

- Dispose of any damaged or worn modified cases in accordance with local regulations.
- Do not throw modified cases in regular trash; check for any recycling programs or hazardous waste

disposal options in your area.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the use of Hornady LockNLoad Modified Cases, please refer to the official Hornady website or customer support resources. Always ensure you have the latest information and guidance for safe use.

By following these safety instructions, you can help ensure a safe and effective reloading experience with the Hornady LockNLoad Modified Cases. Thank you for your attention to safety.
