

SPRINGFIELD M14 MUZZLE BRAKE 30 CALIBER - SMITH ENTERPRISE MUZZLE BRAKE 30 CALIBER .595-32 SS PHOSPHATE

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

Drop-On Recoil & Muzzle Control; Fits Domestic & Chinese M14/M1A's

Lets you spend more time practicing with your favorite high-power, match rifle without the recoil. Absolutely no gunsmithing required for amazing muzzle control and greatly reduced felt recoil even on select-fire rifles. Changes the sharp recoil that most shooters experience with the military stock into a soft push. Easily replaces the issue flash hider without alterations and includes the front sight dovetail and castle nut set screw.

Note: Will NOT fit Norinco/Polytech (M305) with M15x.75 thread.

SPRINGFIELD M14 MUZZLE BRAKE Safety Instructions

Introduction

Thank you for choosing the SPRINGFIELD M14 MUZZLE BRAKE. This product is designed to enhance your shooting experience by reducing recoil and improving muzzle control. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always treat the muzzle brake as if it is loaded.
- Ensure that you are familiar with the operation of your firearm before using the muzzle brake.
- Only use this product with firearms that are compatible with the specifications outlined in this guide.
- Keep the muzzle brake and your firearm out of reach of children and unauthorized users.
- Inspect the muzzle brake regularly for wear or damage.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before installation or removal of the muzzle brake.
- Do not attempt to modify or alter the muzzle brake in any way.
- Use only the recommended tools for installation to avoid damaging the product or the firearm.
- Wear appropriate safety gear, including eye and ear protection, while using firearms equipped with the muzzle brake.
- Be aware of your surroundings and ensure a safe shooting environment when using your firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing flash hider from the muzzle of the firearm.
- Clean the threads on the muzzle to ensure proper fit.
- Align the muzzle brake with the threads and screw it on until it is snug. Do not overtighten.
- Use the included castle nut set screw to secure the muzzle brake in place.
- Verify that the front sight dovetail is properly aligned.

2. Usage:

- After installation, check the muzzle brake to ensure it is securely attached before firing.
- Fire the firearm in a safe environment, keeping in mind the reduced recoil provided by the muzzle brake.
- Monitor the performance of the muzzle brake during use. If you notice any unusual behavior, stop using it immediately and consult a professional.

Disposal Instructions

- Dispose of the muzzle brake in accordance with local regulations regarding metal and firearm accessories.
- Do not throw the muzzle brake in regular household waste.
- Consider recycling options available in your area.

Contact Information for Further Support

For any safety inquiries or concerns regarding the SPRINGFIELD M14 MUZZLE BRAKE, please refer to the contact information provided with the product packaging or consult the manufacturer's website.

By following these safety instructions, you can ensure a safer shooting experience with your SPRINGFIELD M14 MUZZLE BRAKE. Always prioritize safety and responsibility when handling firearms and their accessories.
