Introduction

Thank you for choosing the BAFFLE, FRONT, LONG ACTION for your Savage Arms firearms (Models 110, 112, 111). This guide provides essential safety instructions to ensure the safe use and handling of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions and guidelines.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always handle firearms with care and respect.
- Ensure that the firearm is unloaded before installing or removing the baffle.
- Do not modify the baffle or use it in any way that is not specified by the manufacturer.
- Wear appropriate protective gear, such as safety glasses and ear protection, when using firearms.
- Be aware of your surroundings and ensure that no unauthorized persons are nearby during use.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation.

2. Installation Steps:

- Locate the front baffle area on your Savage Arms firearm.
- Align the baffle with the designated mounting points.
- Secure the baffle using the appropriate screws or fasteners provided.
- Ensure that the baffle is firmly attached and does not move when pulled.

3. Final Check:

- Doublecheck that all screws and fasteners are tightened.
- Inspect the installation to confirm that there are no gaps or misalignments.

Usage Instructions

- Before each use, inspect the baffle for any signs of damage.
- Ensure that the firearm is in a safe condition before firing.
- Follow all safety protocols for handling and firing your firearm.
- After use, clean the baffle according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the baffle in accordance with local regulations.
