Safety Instruction Guide for PILLAR, REAR SAVAGE

Introduction

Thank you for purchasing the PILLAR, REAR from Savage Arms. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your product. Please read this manual carefully before use and keep it for future reference.

General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the product for any visible damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product issues or accidents to the appropriate authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the PILLAR, REAR is compatible with your firearm model (112, 116) before installation.
- Do not modify the product in any way, as this may compromise safety and performance.
- Use the product only for its intended purpose as specified by the manufacturer.
- Always wear appropriate safety gear when handling firearms.
- Be aware of your surroundings and ensure a safe environment when using firearms equipped with the PILLAR, REAR.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Gather all necessary tools for installation.
- Ensure that the firearm is unloaded and in a safe condition before beginning.

2. Installation Steps:

- Remove the existing pillar if applicable, following the manufacturer's guidelines.
- Align the PILLAR, REAR with the designated mounting points on your firearm.
- Secure the pillar using the appropriate screws or fasteners provided by the manufacturer.
- Doublecheck that the installation is secure and that the pillar is properly aligned.

3. Final Checks:

- Inspect the installation to ensure there are no loose parts.
- Test the stability of the pillar before using the firearm.

Usage Instructions

- Once installed, regularly check the PILLAR, REAR for any signs of wear or damage.
- Ensure that the firearm is properly maintained to avoid any issues with the pillar's performance.
- Follow all local laws and regulations regarding firearm use and safety.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the product needs to be disposed of, check for local recycling programs for materials that can be recycled.
- Do not dispose of the product in general waste if it contains hazardous materials. Follow local guidelines for hazardous waste disposal.

Contact Information for Further Support

For any questions or concerns regarding the PILLAR, REAR, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website for further assistance.

Thank you for prioritizing safety while using the PILLAR, REAR. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
