# Safety Instruction Guide for GX4 9MM Luger Magazines

## Introduction

Thank you for choosing the GX4 9MM Luger Magazines. These replacement magazines are designed for the Taurus GX4 9mm firearm. It is essential to follow the safety instructions provided in this guide to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle magazines with care and store them in a secure location out of reach of children.
- Ensure that the firearm is unloaded before inserting or removing the magazine.
- Regularly inspect magazines for any signs of damage or wear. Do not use damaged magazines.
- Always follow local laws and regulations regarding firearm and ammunition storage and usage.
- Report any unsafe products or accidents to the appropriate authorities and check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the GX4 9MM Luger Magazines with the Taurus GX4 model.
- Ensure that you are using the correct caliber (9mm Luger) for your firearm.
- Do not exceed the magazine's specified capacity (10, 11, or 13 rounds).
- Avoid exposing magazines to extreme temperatures, moisture, or corrosive environments.
- Keep magazines clean and free of debris to ensure proper functioning.
- Always wear appropriate eye and ear protection when using firearms.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Hold the magazine by its base and align it with the magazine well of the Taurus GX4.
- Push the magazine firmly into the magazine well until it clicks into place.

### 2. Usage:

- To remove the magazine, press the magazine release button while pulling the magazine out of the magazine well.
- Do not attempt to force a magazine into the firearm; it should fit securely without excessive pressure.
- Always check the magazine for proper seating before firing.

## Disposal Instructions

- Dispose of any damaged or worn magazines in accordance with local regulations.
- Do not dispose of magazines in regular household waste. Check for local hazardous waste disposal options.
- Ensure that all magazines are unloaded before disposal.

## **Contact Information for Further Support**

For any safety inquiries or concerns, please consult your local authorities or refer to the manufacturer's guidelines.
