# TEMPILAQ® 2 OZ. 450° F Safety Instruction Guide

## Introduction

Thank you for choosing TEMPILAQ® for your heattreating needs. This guide provides important safety instructions to ensure safe usage of the product. Please read and follow these guidelines carefully to avoid potential hazards.

## General Safety Guidelines

- Always wear appropriate personal protective equipment (PPE), including gloves and safety goggles, when handling TEMPILAQ®.
- Ensure that the area where TEMPILAQ® is used is wellventilated to prevent inhalation of fumes.
- Keep TEMPILAQ® out of reach of children and pets to prevent accidental exposure.
- Store TEMPILAQ® in a cool, dry place away from direct sunlight and heat sources.
- Follow local regulations for the safe disposal of chemical products.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- TEMPILAQ® is a flammable liquid. Avoid open flames and sources of ignition.
- The product may cause skin and eye irritation. Use with care and avoid direct contact.

- **Avoiding Hazards:**

- Do not apply TEMPILAQ® near open flames or hot surfaces.
- In case of skin contact, wash the affected area with soap and water immediately.
- If TEMPILAQ® gets into the eyes, rinse thoroughly with water for at least 15 minutes and seek medical attention.
- Do not inhale vapors; use in a wellventilated area or with appropriate respiratory protection.

## Instructions for Installation and Usage

- **Application:**

- Shake the bottle before use to ensure an even consistency.
- Apply a thin smear of TEMPILAQ® to the surface of the steel parts to be treated.
- Monitor the temperature closely. TEMPILAQ® will melt sharply when the desired temperature is reached.
- Disregard any color changes; once TEMPILAQ® melts, quench the parts immediately to achieve the desired hardness.

- **Storage:**

- After use, securely close the bottle to prevent evaporation and contamination.
- Keep the bottle upright to avoid spills.

## Disposal Instructions

- Dispose of any unused TEMPILAQ® according to local hazardous waste disposal regulations.
- Do not pour TEMPILAQ® down the drain or into water bodies.
- Ensure that the container is completely empty before recycling or disposing of it.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding TEMPILAQ®, please consult your local distributor or the manufacturer's website for further assistance.

By following these safety instructions, you can ensure a safe and effective experience with TEMPILAQ®. Thank you for your attention to these important guidelines.
