

# CZ 457 RIMFIRE TRIGGER ADJUSTABLE

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Timney's customers have been asking for a dedicated CZ Model 457 rimfire trigger for hunting and competition shooting. They asked, Timney delivered. For the discriminating shooter demanding the utmost performance from their trigger, Timney's CZ 457 is designed to be robust, user-friendly, adjustable for pull weight and over travel, yet delicate enough to be set with a pull weight as low as 10 ounces or up to 2 pounds. Every part of the trigger is machined using state-of-the-art technology - no skimping with metal injection molding or stamped, old-school parts. Our CZ 457 replacement trigger features our new Sear Engagement Adjustment Lock designed, (SEAL'd) that ensures a user-friendly experience. The trigger's sear and trigger shoe are precision-machined, heat treated to 56 Rockwell with a black oxide trigger coating and an NP-3 coated sear for maximum lubricity and a lifetime of reliable performance. The CZ 457 trigger is backed by the legendary Timney No Hassle, Lifetime Warranty. The secret to becoming more accurate with your rifle? It all starts with an amazing trigger and this trigger, is truly amazing. The new CZ 457 is Timney's latest overnight success - 75 years in the making. Pull Weight: Adjustable from 10oz - 2lb Sear: Sear Engagement Adjustment Lock design (SEAL'd) Materials: Trigger and sear are machined from premium tool steels, heat treated to perfections. Color: Trigger is black oxide finished and sear is NP3 coated. Safety: Trigger blocking 2-position safety Lifetime Warranty

# TIMNEY CZ 457 RIMFIRE TRIGGER SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the TIMNEY CZ 457 Rimfire Trigger. This guide provides important safety instructions to ensure the safe use and handling of your trigger. Please read this document carefully before installation and use.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure the trigger is installed correctly before using your firearm.
- Keep the trigger and firearm out of reach of children and unauthorized users.
- Inspect the trigger and firearm regularly for any signs of wear or damage.
- Always follow the manufacturer's instructions for your specific firearm model.
- Use appropriate safety gear, such as eye and ear protection, when handling firearms.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about safety issues.

## Specific Safety Precautions for Use

- **Installation Safety:** Ensure you are familiar with the installation process. If in doubt, consult a professional gunsmith.
- **Trigger Pull Weight:** The trigger is adjustable from 10 ounces to 2 pounds. Set the pull weight according to your comfort and shooting requirements.
- **Safety Mechanism:** Familiarize yourself with the 2position safety mechanism. Always engage the safety when the firearm is not in use.
- **Environment:** Avoid using the trigger in wet or humid conditions to prevent corrosion.
- **Cleaning:** Use only recommended cleaning solutions for the trigger and firearm to avoid damage.
- **Modification:** Do not modify the trigger or its components, as this may impair its performance and safety.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger according to your firearm's manual.
- Install the TIMNEY CZ 457 Rimfire Trigger by following the specific instructions provided in the firearm's manual.
- Adjust the pull weight as desired, ensuring it meets your safety and performance preferences.
- Test the trigger in a safe environment to ensure proper function.

### 2. Usage:

- Always perform a function check before using the firearm.
- Engage the safety when the firearm is not actively being fired.
- Maintain a proper shooting stance and grip while using the firearm.
- Be aware of your surroundings and ensure a clear line of sight before firing.
- After use, always reengage the safety and store the firearm in a secure location.

## **Disposal Instructions**

- Dispose of the TIMNEY CZ 457 Rimfire Trigger in accordance with local regulations regarding firearms and firearm accessories.
- Do not dispose of the trigger in regular household waste. Instead, contact local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or support regarding the TIMNEY CZ 457 Rimfire Trigger, please refer to the contact details provided in the product packaging or the official Timney website.

By following these safety instructions, you can ensure a safer and more enjoyable shooting experience. Thank you for your attention to safety!
