

30mm RED DOT SIGHTS - TRUGLO DUAL COLOR 30 MM RED DOT SIGHT BLACK

[Archery](#) > [Crossbows & Accessories](#) > [Crossbow Scopes](#)

Fast Sight Pickup With A Wide Field Of View

These sights offer unlimited eye relief and a wide field of view, making them extremely versatile for sport, tactical, and hunting applications. Shock-resistant up to .50 caliber for reliable service on almost any firearm platform. Integral, weaver-style base on all models gives rock-solid mounting and easy installation. Rugged, waterproof and fog-proof sights feature a 5 MOA dot size for fast target acquisition, 11 brightness control settings, fingertip windage and elevation adjustments, and lens covers. Multi-coated lenses provide more than 95% light transmission for superior clarity and brightness. Traditional model features a single red-colored dot reticle. Dual Color offers the same dot reticle with selectable illumination in red or green for improved visibility in all light conditions. Both have 1 MOA click adjustments.

Safety Instruction Guide for 30mm RED DOT SIGHTS TRUGLO DUAL COLOR 30 MM RED DOT SIGHT BLACK

Introduction

Thank you for choosing the 30mm RED DOT SIGHTS TRUGLO DUAL COLOR 30 MM RED DOT SIGHT BLACK. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your sight. Please read this manual carefully before use to maximize your safety and the performance of the product.

General Safety Guidelines

- Ensure that the sight is used in accordance with all local laws and regulations regarding firearms and accessories.
- Always treat the sight as if it is loaded and handle it with care.
- Keep the sight out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of damage or wear. If damaged, discontinue use immediately.
- Follow all manufacturer instructions regarding maintenance and operation.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using firearms equipped with this sight.
- **Mounting:** Ensure that the sight is securely mounted to prevent it from loosening during use.
- **Battery Safety:**
 - Use only the specified (1) CR 2032 Lithium battery for power.
 - Do not attempt to disassemble or recharge the battery.
 - Dispose of used batteries in accordance with local regulations.
- **Environmental Conditions:**
 - Avoid using the sight in extreme temperatures or weather conditions that may impair its functionality.
 - Do not expose the sight to water unless it is confirmed to be waterproof.

Instructions for Installation and Usage

Installation

1. **Unboxing:** Carefully remove the sight from the packaging, ensuring that all components are present, including lens covers and instructions.
2. **Mounting:**
 - Identify the mounting location on your firearm.
 - Align the weaverstyle base of the sight with the mounting rail.
 - Securely fasten the sight using the provided mounting hardware. Ensure it is tight and stable.
3. **Battery Installation:**
 - Locate the battery compartment on the sight.
 - Insert the (1) CR 2032 Lithium battery, ensuring correct polarity (+/-).
 - Close the battery compartment securely.

Usage

1. **Powering On/Off:**
 - To turn on the sight, press the power button.
 - To turn off, press the button again.

2. **Brightness Adjustment:**

- Use the brightness control settings to adjust the illumination level according to your environment. There are 11 brightness settings available.

3. **Windage and Elevation Adjustments:**

- Use the fingertip adjustments for windage and elevation to align the sight with your target. Each adjustment is 1 MOA (1 inch at 100 yards).

4. **Field of View:**

- The sight provides a field of view of 68 at 100 yards, ensuring fast target acquisition.

5. **Reticle:**

- The sight features a 5 MOA dot reticle. The dualcolor model allows you to switch between red and green illumination.

Disposal Instructions

- Dispose of the sight in accordance with local regulations regarding electronic waste.
- Remove the battery before disposal and recycle it according to local battery disposal guidelines.
- Do not dispose of the sight in household waste.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's contact point provided in the product packaging or on the official website.

By following these guidelines, you can ensure a safe and enjoyable experience with your 30mm RED DOT SIGHTS TRUGLO DUAL COLOR 30 MM RED DOT SIGHT BLACK. Thank you for your attention to safety.
