

WALTHER TFX PRO SIGHT SETS - TFX Pro Sight Set Walther PPQ

The TFX Pro Night Sights are constructed with duty or military use in mind. These sights feature both a Tritium vial for constant illumination, as well as fiber optic rods that amplify ambient light. Not only do these sights have both Tritium vials and fiber optics, but they are hermetically sealed in a redesigned TFX capsule, that provides superior protection against oils, chemicals and cleaning solvents. No more worrying about damaging your sights when cleaning! Front Sight features an orange outline, providing a contrast in colors and faster target acquisition. Rear sights features a U-notch design and angled front face for emergency slide racking. Sight bodies are CNC machined steel and have a Truglo "fortress" finish. TFX Pro Sights sets are Made in the USA, using Swiss Tritium.

WALTHER TFX PRO SIGHT SETS Safety Instruction Guide

Introduction

Thank you for choosing the WALTHER TFX Pro Sight Set for your Walther PPQ. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your sight set. Please read this document carefully to familiarize yourself with the necessary precautions and proper usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Always handle firearms and accessories responsibly and in accordance with local laws and regulations.
- Store the sight set in a safe, dry place when not in use to prevent damage.
- Regularly inspect the sight set for any signs of wear or damage before each use.
- Keep the sight set out of reach of children and unauthorized individuals.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to misalignment, affecting accuracy.
 - Exposure to harsh chemicals may damage the sight set.
 - Tritium vials contain a small amount of radioactive material; handle with care.
- **Instructions to Avoid Hazards:**
 - Follow the installation instructions carefully to ensure proper alignment.
 - Clean the sight set using only recommended cleaning solutions. Avoid harsh chemicals.
 - In the event of breakage, do not attempt to repair the Tritium vial yourself. Contact a professional.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the firearm is unloaded and pointed in a safe direction.
 2. Remove the existing sights from the firearm using appropriate tools.
 3. Align the TFX Pro sights with the mounting points on the firearm.
 4. Securely fasten the sights according to the manufacturer's specifications.
 5. Confirm that the sights are properly aligned and functioning before use.
- **Usage:**
 - Utilize the orange outline on the front sight for improved target acquisition.
 - Use the Unotch design on the rear sight for effective slide racking in emergencies.
 - Regularly check the sights for proper function and clarity.

Disposal Instructions

- Dispose of the sight set in accordance with local regulations regarding electronic and hazardous waste.
- If the Tritium vial is broken or damaged, contact a professional for safe disposal instructions.
- Do not dispose of the sight set in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the WALTHER TFX Pro Sight Set, please contact the manufacturer or your local retailer for assistance. Ensure you have the product details ready for a more efficient response.

Thank you for prioritizing safety and responsible use of your WALTHER TFX Pro Sight Set. Your adherence to

these guidelines will help ensure a safe and enjoyable experience.
