BERETTA SO SERIES NONSELECTIVE SAFETY

Safety Instruction Guide

Introduction

Thank you for choosing the BERETTA SO SERIES NONSELECTIVE SAFETY. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read this guide carefully before installation and use to understand the necessary precautions and procedures.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- In case of any malfunction or damage, cease use immediately and consult a qualified professional.
- Report any unsafe products or accidents to local authorities.

Specific Safety Precautions for Use

- Always handle the safety mechanism with care to prevent accidental activation.
- Do not modify or alter the safety features of the product.
- Use the product in a welllit area to ensure clear visibility during operation.
- Follow all manufacturer guidelines for use and maintenance.
- Wear appropriate protective equipment when handling the product to minimize risk.

Instructions for Installation and Usage

1. Installation:

- Ensure the installation area is clean and free of obstructions.
- Follow the specific installation instructions provided with the product.
- Securely attach the safety mechanism according to the manufacturer's guidelines.
- Verify that the installation is stable and that the product functions correctly before use.

2. Usage:

- Familiarize yourself with the safety features and how to engage/disengage them.
- Always check the product for proper functioning before each use.
- Use the product only as directed and avoid any unintended applications.
- If unsure about the operation, seek assistance from a knowledgeable individual.

Disposal Instructions

- Dispose of the product in accordance with local regulations for hazardous materials.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for information on safe disposal options.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please refer to the manufacturer's contact details provided with your product.

By adhering to these safety guidelines and instructions, you help ensure not only your safety but also the safety

of those around you. Thank you for your attention to these important matters.
