Introduction

Thank you for choosing the BERETTA SV10 20 Gauge Extractor Adjuster Right. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this guide carefully before using the extractor adjuster to familiarize yourself with the safety precautions and proper handling techniques.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this guide.
- Keep the extractor adjuster out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the product.
- In case of any malfunction or damage, discontinue use immediately and consult a qualified technician.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the extractor.
- Avoid using excessive force when adjusting the extractor to prevent damage.
- Do not modify the product in any way that could compromise its safety or performance.
- Be aware of your surroundings and ensure that no one is in the line of fire when using the firearm.
- Follow all local laws and regulations regarding the use and storage of firearms.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is completely unloaded.
- Locate the extractor assembly on your BERETTA SV10.
- Carefully remove the existing extractor if applicable.
- Align the new extractor adjuster with the mounting points.
- Secure the adjuster in place using the appropriate screws or fasteners provided.
- Verify that the adjuster is firmly attached before proceeding.

2. Usage:

- After installation, perform a function check to ensure proper operation.
- If adjustments are necessary, use the provided tools to make precise changes.
- Always check that the extractor is functioning correctly before using the firearm.
- Store the firearm in a safe and secure manner when not in use.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the extractor adjuster becomes damaged beyond repair, follow local regulations for the disposal of metal and plastic components.
- Do not dispose of the product in regular household waste. Instead, seek out designated recycling or hazardous waste facilities.
