Safety Instruction Guide for BERETTA SV10 20 GAUGE STRIPPED SAFETY

Introduction

Thank you for choosing the BERETTA SV10 20 GAUGE STRIPPED SAFETY. This guide provides important safety instructions and information to ensure the safe and effective use of your product. It is essential to follow these guidelines to minimize risks and ensure compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the safety instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of wear or damage.
- Do not use the product if it is damaged or malfunctioning.
- Ensure that the product is used in accordance with the manufacturer's specifications.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the safety mechanism is engaged when the product is not in use.
- Familiarize yourself with the operation of the safety features before using the product.
- Do not modify or tamper with the safety mechanism.
- Use the product in a safe environment, free from distractions and hazards.
- Always wear appropriate personal protective equipment when handling the product.

Instructions for Installation and Usage

• Installation:

- Ensure that you are in a welllit and organized area.
- Follow the manufacturer's instructions for proper installation.
- Confirm that all components are included and undamaged before installation.
- Securely fasten all parts according to the specifications provided.

• Usage:

- Before use, ensure that the product is clean and free from obstructions.
- Engage the safety feature before handling the product.
- Always handle the product with care and respect.
- After use, immediately reengage the safety mechanism.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options available in your area.
- Ensure that the product is rendered unusable before disposal to prevent accidental use.

Contact Information for Further Support

For any questions or concerns regarding the product, please refer to the manufacturer's website or contact their customer service for assistance.
