Safety Instruction Guide for BERETTA 486 20/28 Gauge Locking Blocks

Introduction

Thank you for choosing the BERETTA 486 20/28 Gauge Locking Blocks. This guide provides essential safety instructions and guidelines to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR). Please read this manual carefully before using the product.

General Safety Guidelines

- Ensure that you understand the product before use.
- Always keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear and damage.
- Follow all local regulations regarding the use and storage of firearm components.
- In case of any doubts or questions, consult a qualified professional.

Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation may lead to malfunction. Use of damaged or worn locking blocks can cause firearm failure.
- **Avoiding Hazards:** Only use the locking blocks with compatible models. Ensure the firearm is unloaded before installation or maintenance. Do not attempt to modify the locking blocks or the firearm.
- **Age Specific Warnings:** This product is intended for adult use only. Ensure that minors do not handle or operate the product without supervision.

Instructions for Installation and Usage

1. Installation:

- Before installation, ensure that the firearm is completely unloaded.
- Refer to the firearm's manual for specific instructions on removing and replacing locking blocks.
- Align the locking blocks with the designated slots in the firearm and ensure they fit securely.

2. Usage:

- After installation, conduct a function check to ensure proper operation.
- Regularly maintain the locking blocks by cleaning and inspecting them for any signs of wear.
- Store the firearm and locking blocks in a secure location when not in use.

3. PostInstallation Check:

- After installation, check for any loose parts or misalignment.
- If any issues are detected, do not use the firearm until it has been inspected by a qualified gunsmith.

Disposal Instructions

- Dispose of any damaged or worn locking blocks in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consult local authorities for proper disposal methods of firearm components.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the official BERETTA USA website or consult your local dealer.

Conclusion

By following these safety instructions, you ensure not only your safety but also the safety of those around you. Always prioritize safety when handling firearms and their components. Thank you for your attention to these important guidelines.
