Safety Instruction Guide for BERETTA 486 20 GAUGE EXTRACTOR RIGHT HAND

Introduction

Thank you for choosing the BERETTA 486 20 GAUGE EXTRACTOR RIGHT HAND. This guide provides essential safety instructions and guidelines to ensure your safe use of this product. It is important to follow these instructions to minimize risks and ensure compliance with EU safety regulations.

General Safety Guidelines

- Ensure the extractor is used only for its intended purpose as specified by the manufacturer.
- Always read and understand the product manual before use.
- Keep this instruction manual for future reference.
- Store the product in a safe place away from children and vulnerable individuals.
- Regularly inspect the extractor for any signs of wear or damage before use.
- Do not attempt to modify or repair the extractor yourself. Seek professional assistance if needed.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) when using the extractor.
- Ensure that the work area is clean, dry, and welllit.
- Do not use the extractor in wet or humid conditions.
- Keep hands and body parts clear of moving parts during operation.
- Use the extractor only with compatible Beretta firearms as specified by the manufacturer.
- Follow all local laws and regulations regarding the use of firearms and related accessories.
- Be aware of your surroundings and ensure that no one is in the line of fire.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before installing the extractor.
- Follow the manufacturer's instructions for proper installation.
- Securely attach the extractor to the firearm, ensuring it is firmly in place.

2. Usage:

- Before using the extractor, doublecheck that the firearm is in a safe condition.
- Operate the extractor according to the manufacturer's guidelines.
- Avoid excessive force when using the extractor to prevent damage.
- After use, clean the extractor and the firearm according to the maintenance guidelines provided by the manufacturer.

Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If the extractor is damaged beyond repair, dispose of it in a way that prevents unauthorized use.
- Do not dispose of the extractor in household waste. Check local regulations for proper disposal methods for firearm accessories.

Contact Information for Further Support

For any safety inquiries or concerns regarding the BERETTA 486 20 GAUGE EXTRACTOR RIGHT HAND, please contact your local Beretta representative or authorized dealer. Ensure that you have your product details ready for a more efficient response.

By following these guidelines, you will help ensure a safe and effective experience with your BERETTA 486 20 GAUGE EXTRACTOR RIGHT HAND. Thank you for your attention to safety.
