Safety Instruction Guide for the BERETTA 486 28 Gauge Extractor Right Hand

Introduction

Thank you for choosing the BERETTA 486 28 Gauge Extractor Right Hand. This product is designed to provide reliable performance and safety when used correctly. Please read this safety instruction guide carefully to ensure safe and effective use of your extractor in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you understand how to operate the extractor before use.
- Keep the extractor out of reach of children and vulnerable individuals.
- Regularly inspect the extractor for any signs of damage or wear.
- Always use the extractor in accordance with the manufacturer's instructions.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when using the extractor.
- Do not modify the extractor in any way, as this may compromise its safety.
- Ensure that the extractor is used in a safe environment free from distractions.
- Avoid using the extractor while under the influence of drugs or alcohol.
- Do not use the extractor if it is damaged or malfunctioning.
- Store the extractor in a secure location when not in use.

Instructions for Installation and Usage

Installation

1. Ensure you have all necessary tools and components for installation.
2. Follow the manufacturer's instructions for installing the extractor.
3. Secure all components tightly to prevent any movement during use.
4. Check the installation for any loose parts before using the extractor.

Usage

1. Before using the extractor, ensure that your work area is clean and free of obstacles.
2. Hold the extractor firmly with your right hand for optimal control.
3. Follow the specific operational procedures outlined in the manufacturer's manual.
4. After each use, inspect the extractor for any signs of damage or wear.

Disposal Instructions

- Dispose of the extractor in accordance with local regulations.
- Do not dispose of the extractor in regular household waste.
- Consider recycling the product if possible, following local recycling guidelines.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the manufacturer's contact details

provided with the product packaging or visit the official website for additional support.

By following these safety instructions, you can ensure a safe and effective experience with your BERETTA 486 28 Gauge Extractor Right Hand. Thank you for your attention to these important safety guidelines.
