## **VOLQUARTSEN SURESTRIKE FIRING PIN Safety**

### **Instruction Guide**

#### **Introduction**

Thank you for choosing the Volquartsen SureStrike Firing Pin and Exact Edge Extractor. This guide provides important safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the firing pin and extractor.

#### **General Safety Guidelines**

To ensure the safe use of the Volquartsen SureStrike Firing Pin and Exact Edge Extractor, please follow these general safety guidelines:

- Always treat firearms as if they are loaded.
- Keep the firing pin and extractor out of reach of children and unauthorized users.
- Use this product only with compatible firearms: Ruger® MKI, MKII™, MKIII™, and 22/45™.
- Inspect the firing pin and extractor for any signs of damage before use.
- Follow all manufacturer instructions and recommendations for installation and usage.
- Report any unsafe products or accidents to the relevant authorities.

#### **Specific Safety Precautions for Use**

When using the Volquartsen SureStrike Firing Pin and Exact Edge Extractor, please observe the following safety precautions:

- Ensure the firearm is unloaded before installing or removing the firing pin and extractor.
- Do not modify the firing pin or extractor in any way that may affect their performance or safety.
- Be aware of the potential hazards associated with improper installation, which may lead to malfunction or injury.
- Do not use the firing pin if it shows signs of wear or damage.
- Always wear appropriate eye protection when handling firearms.

#### **Instructions for Installation and Usage**

Follow these steps for the proper installation and usage of the Volquartsen SureStrike Firing Pin and Exact Edge Extractor:

##### **1. Preparation:**

- Ensure the firearm is completely unloaded and in a safe condition.
- Gather all necessary tools for installation.

##### **2. Installation of the Firing Pin:**

- Remove the existing firing pin from the firearm according to the manufacturer's instructions.
- Align the new Volquartsen firing pin with the firing pin channel.
- Carefully insert the firing pin into the channel until it is fully seated.
- Ensure that the firing pin is properly aligned and moves freely.

##### **3. Installation of the Exact Edge Extractor:**

- Remove the existing extractor from the firearm as per the manufacturer's guidelines.
- Position the new Volquartsen extractor in the extractor slot.
- Ensure that the extractor is properly seated and secured in place.

#### **4. PostInstallation Check:**

- Perform a visual inspection to confirm that both the firing pin and extractor are correctly installed and free of obstructions.
- Cycle the action of the firearm to ensure smooth operation.

#### **5. Usage:**

- When ready to use the firearm, ensure that it is pointed in a safe direction.
- Use the firearm only in accordance with its intended purpose and follow all safety protocols.

## **Disposal Instructions**

When disposing of the Volquartsen SureStrike Firing Pin and Exact Edge Extractor, please follow these guidelines:

- Dispose of the product in accordance with local regulations regarding firearm accessories.
- Ensure that any parts being disposed of are not accessible to unauthorized individuals, particularly children.

## **Contact Information for Further Support**

For any inquiries related to safety or further information about the Volquartsen SureStrike Firing Pin and Exact Edge Extractor, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety instructions. Your safety is our priority.
