

# ALL-WEATHER® HIGH-TECH GREASE - SHOOTERS CHOICE ALL-WEATHER HIGH-TECH GREASE

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

## Won't Gum Up In The Cold Or Burn Off In Extreme Heat

Extreme-pressure, and high-temperature, synthetic grease ensures the high-friction areas on your firearm receive the necessary lubrication no matter the weather. Protects from -65° F. to +350° F. Syringe lets you put the grease exactly where you need it. Perfect for sliding surfaces, locking lugs, triggers, safeties, sears, and more.

## Attributes

- Name: [SHOOTERS CHOICE ALL-WEATHER HIGH-TECH GREASE](#)

# ALLWEATHER® HIGHTECH GREASE SHOOTERS CHOICE Safety Instruction Guide

## Introduction

Thank you for choosing the ALLWEATHER® HIGHTECH GREASE from SHOOTERS CHOICE. This product is designed to provide superior lubrication for highfriction areas on firearms, ensuring optimal performance in various weather conditions. This guide outlines essential safety instructions to ensure safe and effective use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read the product label and safety instructions before use.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as specified in this guide.
- Be aware of potential hazards associated with the product, including:
  - Skin and eye irritation upon contact.
  - Inhalation of vapors may cause respiratory irritation.
- In case of an emergency, follow the instructions provided in this guide and seek medical assistance if necessary.

## Specific Safety Precautions for Use

- Wear protective gloves and safety goggles when handling the grease to avoid skin and eye contact.
- Ensure adequate ventilation in the area where the product is used to minimize inhalation risks.
- Do not ingest the product. In case of accidental ingestion, seek medical help immediately.
- Avoid using the product near open flames or high heat sources, as it is flammable.
- Store the product in a cool, dry place, away from direct sunlight and heat sources.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and in a safe condition before applying the grease.
- Clean the area where the grease will be applied to remove any dirt or debris.

### 2. Application:

- Use the syringe applicator to dispense the grease precisely where needed.
- Apply a small amount of grease to sliding surfaces, locking lugs, triggers, safeties, sears, and other highfriction areas.
- Avoid overapplying the grease, as excess may attract dirt and debris.

### 3. PostApplication:

- Allow the grease to settle and adhere to the surfaces for optimal performance.
- Wipe away any excess grease with a clean cloth to prevent buildup.

### 4. Maintenance:

- Regularly inspect the lubricated areas and reapply grease as necessary to maintain performance.
- Store the syringe applicator properly to prevent contamination.

## **Disposal Instructions**

- Dispose of any unused product and empty containers in accordance with local regulations.
- Do not dispose of the product in household waste or down the drain.
- Check for any specific disposal instructions on the product label.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of the ALLWEATHER® HIGHTECH GREASE, please contact the manufacturer directly. Ensure you have the product details handy for reference.

By following these safety instructions, you can ensure the safe and effective use of the ALLWEATHER® HIGHTECH GREASE. Thank you for prioritizing safety while enjoying the benefits of this highperformance lubricant.
