# Safety Instruction Guide for M&P 9MM MAGAZINES

## Introduction

Thank you for choosing the Smith & Wesson M&P 9mm magazines. This guide provides essential safety information and instructions to ensure the proper use and handling of your magazines. Please read this document carefully before using your product.

## General Safety Guidelines

- Ensure that all magazines are compatible with your specific M&P 9mm model before use.
- Always store magazines in a safe and secure location, out of reach of children and unauthorized users.
- Inspect magazines regularly for signs of wear or damage. Do not use damaged magazines.
- Follow all local laws and regulations regarding the use and storage of firearms and magazines.
- Be aware of your surroundings and ensure that you are in a safe environment when loading or unloading magazines.
- Always treat firearms as if they are loaded, even if you believe they are not.

## Specific Safety Precautions for Use

- Use only authorized Smith & Wesson M&P 9mm magazines with your firearm.
- Do not attempt to modify or alter the magazine in any way.
- Avoid exposing magazines to extreme temperatures or harsh chemicals, as this may affect their performance.
- When loading magazines, ensure that ammunition is inserted correctly and securely.
- Never exceed the magazine's stated capacity.
- Always handle firearms and magazines with care to prevent accidental discharge.

## Instructions for Installation and Usage

### 1. Loading the Magazine:

- Hold the magazine with the base pad facing down.
- Insert the first round into the magazine, ensuring it is seated properly.
- Continue to add rounds until the magazine reaches its maximum capacity (17 rounds for this model).
- Ensure that the follower moves freely and that there are no obstructions.

### 2. Inserting the Magazine into the Firearm:

- Ensure the firearm is pointed in a safe direction.
- With the slide locked back, insert the loaded magazine into the magazine well until it clicks into place.
- Release the slide to chamber a round.

### 3. Removing the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button to eject the magazine.
- Store the magazine in a safe location.

## **Disposal Instructions**

- Dispose of magazines that are damaged or no longer in use according to local regulations.
- If necessary, contact local authorities for guidance on safe disposal methods.
- Do not dispose of magazines in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding your Smith & Wesson M&P 9mm magazines, please refer to the official Smith & Wesson website or contact your local dealer.

This safety instruction guide is designed to help you use your Smith & Wesson M&P 9mm magazines safely and effectively. By following these guidelines, you can ensure a safer experience for yourself and those around you.
