JFrame Service Model Dymondwood Grips Safety Instruction Guide

Introduction

Thank you for choosing the JFrame Service Model Dymondwood Grips. These grips are designed as direct factory replacements for Smith & Wesson's JFrame revolver models. To ensure your safety and the proper use of this product, please read and follow the instructions and guidelines provided in this safety instruction guide.

General Safety Guidelines

- **Product Safety:** Always ensure safe use of the grips. These grips are nonfood products and should be handled with care.
- **Enhanced Recalls:** Stay informed about product recalls. If a recall is issued, follow the instructions provided for returning or replacing the product.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements just as physical stores do.
- **Special Consumer Focus:** Extra care should be taken if the product is used by children. Ensure that children do not have access to the grips unsupervised.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point for assistance.
- **Rapid Alerts:** Be aware of updates regarding unsafe products through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Installation Safety:** Ensure that you are using the correct tools for installation to avoid injury.
- **Grip Handling:** Handle the grips with care to prevent damage. Avoid dropping them as this may cause breakage.
- **Age Restrictions:** These grips are intended for use by individuals who are legally allowed to own and operate firearms. Ensure that users are of appropriate age and have the necessary training.
- **Environmental Conditions:** Avoid exposing the grips to extreme temperatures or moisture, as this can affect their integrity.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools before beginning the installation process.
- Ensure that the firearm is unloaded and pointed in a safe direction.

2. Installation:

- Remove the original grips from the revolver by unscrewing the screws with the appropriate tool.
- Align the new JFrame Service Model Dymondwood Grips with the grip frame of the revolver.
- Secure the grips by tightening the screws carefully. Do not overtighten, as this may damage the grips.

3. Usage:

- Once installed, check the grip's stability by gently shaking the firearm. If the grips feel loose, retighten the screws.
- Practice safe handling of the revolver at all times. Always keep the firearm pointed in a safe direction when not in use.

Disposal Instructions

- Dispose of any old grips or packaging materials responsibly. Follow local regulations regarding the disposal of nonhazardous materials.
- If the grips become damaged or unsafe for use, do not attempt to repair them. Instead, dispose of them according to local waste management guidelines.

Contact Information for Further Support

For any further questions or concerns regarding the JFrame Service Model Dymondwood Grips, please refer to the appropriate support channels provided by the manufacturer. Always ensure that you have the latest information and adhere to safety guidelines for the best experience with your product.
