M&P 14RD .45 AUTO MAGAZINE Safety Instruction Guide

Introduction

Thank you for choosing the M&P 14RD .45 Auto Magazine. This product is designed to enhance your shooting experience by providing reliable performance and durability. It is crucial to follow safety guidelines to ensure safe usage and to protect yourself and others. This guide outlines important safety information, usage instructions, and disposal guidelines in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat the magazine as if it is loaded, even when it is not.
- Keep the magazine out of reach of children and unauthorized users.
- Inspect the magazine regularly for any signs of wear or damage.
- Use only .45 ACP cartridges with this magazine.
- Do not modify the magazine in any way, as this can compromise safety and performance.
- Ensure you are in a safe environment when loading or unloading the magazine.
- Always follow the firearm manufacturer's instructions when using this magazine.

Specific Safety Precautions for Use

- When loading the magazine:
 - Ensure the firearm is pointed in a safe direction.
 - Load cartridges one at a time to avoid jams.
- When using the magazine:
 - Do not exceed the 14round capacity.
 - Avoid using damaged or deformed cartridges.
- When unloading the magazine:
 - Keep the firearm pointed in a safe direction.
 - Remove the magazine from the firearm before unloading.
- Always wear appropriate eye and ear protection while shooting.

Instructions for Installation and Usage

1. Loading the Magazine:

- Hold the magazine with the feed lips facing upward.
- Insert the first cartridge into the magazine, pressing down until it clicks into place.
- Continue adding cartridges, ensuring they are seated properly.
- Do not exceed 14 cartridges.

2. Inserting the Magazine into the Firearm:

- Ensure the firearm is pointed in a safe direction.
- With the magazine in hand, align it with the magazine well of the firearm.
- Firmly push the magazine into the magazine well until it clicks into place.

3. Removing the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button on the firearm.
- Grasp the magazine and pull it out of the magazine well.

4. Unloading the Magazine:

- Remove the magazine from the firearm as described above.
- Hold the magazine with the feed lips facing downward.
- Press the cartridges out one at a time, ensuring they do not fall.

Disposal Instructions

When disposing of the M&P 14RD .45 Auto Magazine, please follow these guidelines: * Do not throw the magazine in regular trash. * Check local regulations for proper disposal methods of metal products. * If the magazine is damaged or defective, consider contacting a recycling facility that accepts metal items.

Contact Information for Further Support

For safety inquiries or further assistance with the M&P 14RD .45 Auto Magazine, please reach out to the appropriate EUbased contact point or consult the manufacturer's website for additional resources.

Conclusion

By adhering to these safety instructions, you can ensure a safe and enjoyable experience with your M&P 14RD .45 Auto Magazine. Remember to stay informed about safety practices and product recalls through the EU's Safety Gate platform. Thank you for prioritizing safety in your shooting activities.
