

MAXIMA GROOVED RECEIVER LINE FIXED RUGER RINGS - WARNE MFG. COMPANY RUGER M77, M77 MARK II, HAWKEYE, SUPER REDHAWK 1" MED MATTE

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Maxima Grooved Receiver Line of scope mounts are designed to fill the need of mounting scopes to rifles with an integrated receiver mounting rail. Because each manufacturer has their own proprietary mounting rail design, each ring model must be machined to exacting tolerances for proper fit and function. The Maxima Grooved Receiver line fulfills that need. The precision CNC machined Warne rings provide unsurpassed strength, durability and quality, and fit a variety of rifle models including Ruger #1, Ruger 77, Mini 14 & 30, and Ruger Blackhawk and Redhawk. Maxima Fixed Rings are designed to be the strongest, most durable fixed mount system available. Typical steel scope mounts in this class use only 2 screws per ring, have a narrower clamping band and in most cases only absorb recoil in the front ring.

Attributes

- Name: [WARNE MFG. COMPANY RUGER M77, M77 MARK II, HAWKEYE, SUPER REDHAWK 1" MED MATTE](#)
- Manufacturer: [WARNE MFG. COMPANY](#)
- Product no.: 947000025

MAXIMA GROOVED RECEIVER LINE FIXED RUGER RINGS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the Maxima Grooved Receiver Line Fixed Ruger Rings by Warne Mfg. Company. This guide provides essential safety instructions and usage information to ensure the safe and effective use of your scope rings. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that all components are free from defects before use.
- Store the product in a dry place, away from direct sunlight and moisture.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the scope rings for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the scope rings.
- Use appropriate tools for installation to prevent damage to the scope rings or firearm.
- Avoid overtightening screws, as this can lead to damage or failure of the scope rings.
- Ensure that the scope is properly aligned and secure before using the firearm.
- Do not exceed the manufacturer's weight limits for scopes mounted on these rings.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools including a torque wrench, screwdriver, and any other required equipment.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Installation Steps

- Locate the integrated receiver mounting rail on your rifle.
- Align the rings with the mounting rail, ensuring they are positioned correctly.
- Insert screws into the rings and tighten them gently using a torque wrench. Follow the manufacturer's recommended torque specifications.
- Doublecheck that the rings are securely fastened and that there is no movement.

3. Usage

- After installation, check the alignment of the scope. Make adjustments as necessary.
- Before firing, ensure that the scope is securely mounted and that all screws are tight.
- Regularly check the scope rings for tightness and integrity after use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of in household waste. Instead, consider recycling options where applicable.
- If the product is damaged beyond use, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the contact information provided by your retailer or the manufacturer's website.

Thank you for prioritizing safety and responsible use of your Maxima Grooved Receiver Line Fixed Ruger Rings. Enjoy your shooting experience!
