

MAXIMA GROOVED RECEIVER LINE FIXED RUGER RINGS - WARNE MFG. COMPANY RUGER M77, M77 MARK II,HAWKEYE,SUPER REDHAWK 30MM HIGH MATTE

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Maxima Grooved Receiver Line of scope mounts are designed to fill the need of mounting scopes to rifles with an integrated receiver mounting rail. Because each manufacturer has their own proprietary mounting rail design, each ring model must be machined to exacting tolerances for proper fit and function. The Maxima Grooved Receiver line fulfills that need. The precision CNC machined Warne rings provide unsurpassed strength, durability and quality, and fit a variety of rifle models including Ruger #1, Ruger 77, Mini 14 & 30, and Ruger Blackhawk and Redhawk. Maxima Fixed Rings are designed to be the strongest, most durable fixed mount system available. Typical steel scope mounts in this class use only 2 screws per ring, have a narrower clamping band and in most cases only absorb recoil in the front ring.

Attributes

- Name: [WARNE MFG. COMPANY RUGER M77, M77 MARK II,HAWKEYE,SUPER REDHAWK 30MM HIGH MATTE](#)
- Manufacturer: [WARNE MFG. COMPANY](#)

MAXIMA GROOVED RECEIVER LINE FIXED RUGER RINGS Safety Instruction Guide

Introduction

Thank you for choosing the Maxima Grooved Receiver Line Fixed Ruger Rings by Warne MFG. Company. These scope rings are designed to securely mount your scope to various Ruger rifle models. This safety instruction guide provides essential information to ensure safe use, installation, and disposal of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is suitable for the specific rifle model you own.
- Always follow the installation instructions carefully to avoid accidents.
- Regularly inspect the scope rings for any signs of wear or damage.
- Store the product in a dry, cool place, away from direct sunlight and moisture.
- Keep the product out of reach of children and vulnerable individuals.
- In case of any malfunction or if the product appears damaged, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Verify that the scope rings are compatible with your scope's tube diameter (30mm).
- Always tighten screws to the manufacturer's specifications to ensure proper security.
- Avoid overtightening screws, as this may lead to damage to the rings or the rifle.
- Do not use the scope rings if they show signs of corrosion or structural integrity compromise.
- Ensure that the scope is properly aligned before securing the rings to prevent misalignment during use.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure your rifle is unloaded and pointed in a safe direction.

2. Installation:

- Remove the existing scope rings or mounts from your rifle, if applicable.
- Place the Maxima Grooved Receiver Rings onto the integrated receiver mounting rail of your rifle.
- Align the rings with the scope's tube, ensuring they are evenly spaced.
- Insert and handtighten the screws into the rings. Do not fully tighten at this stage.
- Once the scope is positioned correctly, use a torque wrench to tighten the screws to the recommended torque settings:
 - Medium Height: .460" (11.7mm)
 - High Height: .585" (14.9mm)
- Recheck the alignment and ensure the scope is secure.

3. Usage:

- After installation, check the stability of the scope rings before each use.
- Regularly inspect the scope and rings for any signs of wear or loosening.

Disposal Instructions

- Dispose of any packaging materials according to local regulations.
- If the product is damaged beyond repair, dispose of it in accordance with local electronic waste regulations.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please contact the manufacturer directly. They can provide assistance and ensure your product is functioning safely and effectively.

Please ensure that you follow these guidelines closely to maintain safety and optimal performance of your Maxima Grooved Receiver Line Fixed Ruger Rings. Thank you for your attention to these important safety measures.
