

MAXIMA GROOVED RECEIVER LINE QUICK DETACH RUGER RINGS - WARNE MFG. COMPANY QD GRL RUGER M77 & HAWKEYE RINGS 1 INCH HIGH MATTE

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Quickly Removable QD

Maxima Grooved Receiver Line of scope mounts are designed to fill the need of mounting scopes to rifles with an integrated receiver mounting rail. Because each manufacturer has their own proprietary mounting rail design, each ring model must be machined to exacting tolerances for proper fit and function. The Maxima Grooved Receiver line fulfills that need. The precision CNC machined Warne rings provide unsurpassed strength, durability and quality, and fit a variety of rifle models including Ruger #1, Ruger 77, Mini 14 & 30, and Ruger Blackhawk and Redhawk. The Maxima QD rings sport the unique Warne indexable lever system which allows the user to remove the optics from the rifle then reattach it without the loss of zero, as well as allowing the location of the lever to be indexed once the rings are affixed to the bases. After the levers are tightened, simply pull out on the lever, turn it to the desired location then let it snap into place.

Attributes

- Name: [WARNE MFG. COMPANY QD GRL RUGER M77 & HAWKEYE RINGS 1 INCH HIGH MATTE](#)

MAXIMA GROOVED RECEIVER LINE QUICK DETACH RUGER RINGS Safety Instruction Guide

Introduction

Thank you for choosing the Maxima Grooved Receiver Line Quick Detach Ruger Rings by Warne Mfg. Company. These scope rings are designed to provide a secure and reliable mounting solution for your rifle. This guide contains important safety information, installation instructions, and proper usage guidelines to ensure your safety and the optimal performance of your product.

General Safety Guidelines

- Always ensure that the rings are compatible with your specific rifle model before installation.
- Inspect the rings for any signs of damage or wear before use. Do not use damaged rings.
- Follow all manufacturer instructions carefully to avoid accidents or injuries.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for product recalls or safety updates.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before installing or adjusting the scope rings.
- Use proper tools when tightening or loosening the rings to avoid slipping or injury.
- Do not exceed the recommended torque specifications during installation.
- Always verify the tightness of the rings after installation and before use.
- Be cautious when handling firearms and ensure that you are following all safety protocols.

Instructions for Installation and Usage

1. Preparation

- Ensure that the rifle is in a safe, stable position.
- Gather all necessary tools for installation, including a torque wrench.

2. Installation Steps

- Remove any existing scope rings from the rifle.
- Align the Maxima Grooved Receiver Rings with the mounting rail on the rifle.
- Secure the rings onto the rail using the included screws. Ensure that the screws are tightened but not overtorqued.
- Install the scope into the rings, adjusting the position as needed for your shooting style.

3. Adjusting the Lever System

- After installing the scope, adjust the Warne indexable lever to your preferred position.
- Pull out on the lever and rotate it to the desired location, then allow it to snap back into place.

4. Final Checks

- Verify that the scope is securely mounted and that the rings are tight.
- Perform a function check to ensure that the scope maintains zero after removal and reinstallation.

Disposal Instructions

- Dispose of the packaging materials in accordance with local regulations.
- If the product reaches the end of its life cycle, consult local waste management guidelines for proper disposal of metal and plastic components.

Contact Information for Further Support

For any questions or concerns regarding the Maxima Grooved Receiver Line Quick Detach Ruger Rings, please refer to the manufacturer's website or contact your retailer for assistance.

By following these guidelines, you can ensure the safe and effective use of your Maxima Grooved Receiver Line Quick Detach Ruger Rings. Thank you for your attention to safety and for choosing our product.
