

CZ 550 QUICK DETACH SCOPE RINGS - WARNE MFG. COMPANY 30MM HIGH (1.125") QD 19MM DOVETAIL RINGS, BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Fits Tikka BRNO/CZ 527 & BRNO Integral Bases

Since each firearm manufacturer has their own proprietary mounting rail design, each ring model must be machined to exacting tolerances for proper fit and function. Because of this, the Warne CZ Rings are able to fit right onto the receiver's dovetail with no need for a mounting base. The CZ Quick Detach Rings sport the unique Warne indexable lever system which allows the user to remove the optics from the rifle then reattach it without the loss of zero, as well as allowing the location of the lever to be indexed once the rings are affixed to the bases. After the levers are tightened, simply pull out on the lever, turn it to the desired location then let it snap into place. Return to Zero Guaranteed, quickly detach and reattach the CZ QD rings with no loss of zero. Indexable lever allows placement of the levers in any position desired. CZ specific recoil pin for positive engagement of ring to receiver dovetail. Rings securely mount around scope using 4 Torx style T-15 socket cap screws, 25 in/lb. of torque recommended.

Attributes

- Name: [WARNE MFG. COMPANY 30MM HIGH \(1.125"\) QD 19MM DOVETAIL RINGS, BLACK](#)
- Manufacturer: [WARNE MFG. COMPANY](#)

CZ 550 Quick Detach Scope Rings Safety Instruction Guide

Introduction

Thank you for choosing the CZ 550 Quick Detach Scope Rings from Warne Manufacturing Company. These highquality scope rings are designed to provide a secure and reliable mounting solution for your optics. To ensure safe and effective use, please read this safety instruction guide thoroughly.

General Safety Guidelines

- Ensure that the product is suitable for your specific firearm model before installation.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Store the scope rings in a dry and secure location when not in use.
- Regularly inspect the scope rings for wear or damage before each use.
- Keep the product out of reach of children and unauthorized users.

Specific Safety Precautions for Use

- Use the scope rings only with compatible 30mm scope tubes.
- Ensure that the rings are securely tightened using the recommended torque specifications (25 in/lb).
- Avoid overtightening the screws, as this may damage the scope or the rings.
- Do not modify the scope rings in any way, as this may compromise their safety and functionality.
- Always check the positioning of the indexable lever before use to ensure it is secure.

Instructions for Installation and Usage

1. Installation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Locate the dovetail on the receiver of your firearm.
- Align the CZ Quick Detach Rings with the dovetail and slide them into place.
- Use the Torx T15 socket cap screws to secure the rings. Tighten to a torque of 25 in/lb.
- Verify that the rings are properly seated and do not move.

2. Usage

- To detach the scope, pull out on the indexable lever and turn it to the desired position.
- Let the lever snap back into place to secure the scope.
- To reattach the scope, repeat the detachment process, ensuring that the zero is not lost.
- Always check the zero after reattaching the scope to ensure accuracy.

Disposal Instructions

- Dispose of the scope rings in accordance with local regulations regarding metal and plastic waste.
- Do not dispose of the product in household waste. Instead, take it to a recycling center that accepts metal and plastic materials.

Contact Information for Further Support

For any inquiries or concerns regarding the CZ 550 Quick Detach Scope Rings, please refer to the manufacturer's website or contact their customer support.

By following these guidelines and instructions, you can ensure safe and effective use of your CZ 550 Quick Detach Scope Rings. Always prioritize safety and responsibility when handling firearms and accessories. Thank you for your attention to these important safety instructions.
