

MAXIMA 2-PIECE STEEL BASES - WARNE MFG. COMPANY REM MODEL 7 EXT. FRONT, MATTE

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

Weaver-Style In Steel

The Warne Maxima Steel Bases are modeled around the popular Weaver design, which is one of the strongest and most versatile mounting systems available today. The low profile of the Maxima Steel Bases give your firearm a sleek look. When used in conjunction with Warne Maxima QD Rings, the shooter is able to utilize the open sights by looking over the top of the bases without sacrificing the normal shooting position behind the firearm. Maxima Bases also offer a full width recoil slot in each base. This feature allows the recoil control keys of Warne Rings to attain maximum bearing surface.

Attributes

- Name: [WARNE MFG. COMPANY REM MODEL 7 EXT. FRONT, MATTE](#)
- Manufacturer: [WARNE MFG. COMPANY](#)
- Product no.: 947000180

Safety Instruction Guide for MAXIMA 2PIECE STEEL BASES

Introduction

Thank you for choosing the MAXIMA 2PIECE STEEL BASES from Warne Manufacturing Company. This guide provides essential safety instructions and guidelines to ensure your safe use and installation of this product. Please read this guide thoroughly before use to minimize risks and ensure compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the product is suitable for your specific firearm model. Compatibility is crucial for safe operation.
- Always inspect the product for any defects or damage before installation. If any issues are found, do not use the product.
- Use the product only as intended. This product is designed for specific firearm models and should not be modified.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental use or injury.
- Report any unsafe product experiences or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installation or maintenance.
- Follow the manufacturer's instructions for installation carefully to avoid improper mounting.
- Use appropriate tools and hardware when installing the bases. Ensure that all mounting screws are securely fastened.
- Avoid mixing Maxima bases with other brands of Weaverstyle bases, as height differences can affect stability and safety.
- Regularly check the bases and rings for wear or loosening, especially after extensive use or heavy recoil.

Instructions for Installation and Usage

1. **Compatibility Check:** Confirm that the MAXIMA 2PIECE STEEL BASES are compatible with your firearm model (e.g., Remington 7, 600, XP100, 660).
2. **Gather Tools:** You will need the following tools:
 - Screwdriver (appropriate size for mounting screws)
 - Torque wrench (optional, for precise tightening)
3. **Installation Steps:**
 - Ensure the firearm is unloaded.
 - Position the bases on the receiver of the firearm according to the manufacturer's guidelines.
 - Align the bases with the mounting holes on the firearm.
 - Insert and handtighten the mounting screws into the bases.
 - If using a torque wrench, tighten the screws to the manufacturer's recommended torque specifications.
 - Doublecheck all screws to ensure they are secure.
4. **Mounting Scope Rings:** If using Warne Maxima QD Rings:
 - Attach the rings to the bases as per the ring manufacturer's instructions.
 - Ensure that the rings are securely fastened and aligned properly.
5. **Final Check:** After installation, visually inspect the bases and rings for proper alignment and security before using the firearm.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is no longer usable, consider recycling metal components where possible.
- Do not dispose of the product in household waste.

Contact Information for Further Support

For any safety inquiries or additional support, please reach out to the designated EU contact point provided by the manufacturer. Ensure you have the product details ready for a more efficient response.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy your shooting experience with the MAXIMA 2PIECE STEEL BASES!
