

# MAXIMA FIXED RINGS - 34MM LOW (0.919") FIXED RINGS, BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Maxima Fixed Rings are designed to be the strongest, most durable fixed mount system available. Typical steel scope mounts in this class use only 2 screws per ring, have a narrower clamping band and in most cases only absorb recoil in the front ring. Maxima Fixed rings utilize 4 T-15 Torx style socket cap screws for secure optics mounting. The Maxima Fixed series fit Weaver style cross slot bases and incorporate a Warne square stainless steel recoil control key in both the front and rear rings. This ensures a "no slip" positive recoil surface across the entire slot of the base and is capable of withstanding the heaviest of recoil. The Maxima square recoil key also protects against swaging or peening of the base when used on softer or less durable materials. The Maxima Fixed ring band width is also substantially wider which offers more ring to scope clamping area to hold the optics firmly in place. The Maxima Fixed Rings are available in a durable DuPont power coat finish in either gloss or matte black and also an electroless silver nickel finish. Warne Maxima scope rings are designed to fit Warne bases as well as all Weaver cross slot and Mil-Spec Picatinny style bases and rails.

## Attributes

- Name: [34MM LOW \(0.919"\) FIXED RINGS, BLACK](#)
- Manufacturer: [WARNE MFG. COMPANY](#)
- Product no.: 947000259
- Mfr. No.: 220M
- Finish: Matte Blue
- Height: .250"
- Scope Tube Diameter: 34mm
- Size: Low
- Style: Weaver-Style Rings
- Delivery weight: 0.159kg
- Shipping height: 8mm
- Shipping width: 147mm
- Shipping length: 155mm
- UPC: 656813102310

# MAXIMA FIXED RINGS 34MM LOW Safety Instruction Guide

## Introduction

Thank you for choosing the MAXIMA FIXED RINGS 34MM LOW. These fixed rings are designed for secure optics mounting and are built to provide maximum durability and strength. This guide provides essential safety instructions to ensure the safe use and installation of your product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose: mounting optics to firearms.
- Always inspect the product before use for any signs of damage or wear.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the use of firearms and accessories.
- If you experience any issues with the product, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- **Installation Safety:**
  - Use proper tools when installing the rings. Ensure you have a T15 Torx screwdriver for secure installation.
  - Do not overtighten screws, as this may damage the rings or the scope.
- **Usage Safety:**
  - Regularly check the tightness of the rings after installation, especially after the first few uses.
  - Ensure that the scope is securely mounted and does not move when the firearm is handled or fired.
- **Storage Safety:**
  - Store the product in a cool, dry place away from direct sunlight and moisture.
  - Avoid placing heavy objects on top of the rings during storage.

## Instructions for Installation and Usage

### 1. Installation:

- Gather the necessary tools: T15 Torx screwdriver and any other required tools for your specific firearm.
- Place the Maxima Fixed Rings onto the Weaverstyle base, ensuring they are aligned correctly.
- Secure the rings by inserting the T15 Torx screws into each ring. Tighten each screw gradually, alternating between screws to ensure even pressure.
- Check the alignment of the scope and make any necessary adjustments before fully tightening the screws.

### 2. Usage:

- After installation, check that the scope is mounted securely and that there is no movement.
- Regularly inspect the rings for any signs of wear or damage, especially after heavy use or exposure to harsh conditions.
- Follow the manufacturer's guidelines for the scope being used in conjunction with the rings to ensure compatibility and safety.

## **Disposal Instructions**

- Dispose of the product responsibly.
- If the product is damaged or no longer in use, follow local regulations for the disposal of metal and plastic materials.
- Do not dispose of the product in regular household waste. Instead, check for local recycling programs that accept metal and plastic components.

## **Contact Information for Further Support**

For any inquiries or safety concerns regarding the MAXIMA FIXED RINGS 34MM LOW, please refer to the manufacturer's contact details provided with the product packaging or on the official website.

By following these safety instructions, you can ensure the safe use and longevity of your MAXIMA FIXED RINGS 34MM LOW. Always prioritize safety and compliance with local regulations when using firearm accessories. Thank you for your attention to these important guidelines.
