

MAXIMA TIKKA RINGS - WARNE MFG. COMPANY 30MM MEDIUM MATTE BLACK TIKKA RINGS

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Tikka rifles have a grooved receiver that allows for a dovetail ring to mount directly to it, negating the need for a base. Warne's Maxima Tikka rings are a solid steel, vertically split ring that handle even the most punishing recoil, or large, heavy scopes. The Tikka Quick Detach rings utilize 4 T-15 Torx style socket cap screws for secure and permanent optics mounting and also feature a redesigned recoil pin to provide a stronger bearing surface for higher recoiling rifles. Attaches to firearm's dovetail. Return to Zero Guaranteed, quickly detach and reattach the Maxima QD rings with no loss of zero. Tikka specific recoil pin for positive engagement of ring to receiver dovetail. Rings securely mount around scope using 4 Torx style T-15 socket cap screws.

Attributes

- Name: [WARNE MFG. COMPANY 30MM MEDIUM MATTE BLACK TIKKA RINGS](#)
- Manufacturer: [WARNE MFG. COMPANY](#)
- Product no.: 947000268

MAXIMA TIKKA RINGS Safety Instruction Guide

Introduction

Thank you for choosing the MAXIMA TIKKA RINGS by Warne Mfg. Company. These scope rings are designed for Tikka rifles, providing a secure and reliable mounting solution for your optics. This safety instruction guide outlines important safety information, usage instructions, and disposal guidelines to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the product is used as intended and in accordance with the manufacturer's instructions.
- Always inspect the rings for any damage before installation or use.
- Store the rings in a cool, dry place away from direct sunlight and moisture.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always confirm that the rings are properly attached to the dovetail receiver before using the rifle.
- Do not exceed the recommended torque specifications when tightening the T15 socket cap screws.
- Avoid using the rings with scopes that exceed the recommended weight limit, as this may compromise the integrity of the mounting.
- Ensure that the recoil pin is correctly engaged to prevent movement during use.
- Regularly check the rings for signs of wear or damage, especially after heavy use or exposure to harsh conditions.

Instructions for Installation and Usage

1. Installation

- Ensure that the firearm is unloaded and pointed in a safe direction before beginning the installation.
- Clean the dovetail receiver on the Tikka rifle to remove any dirt or debris.
- Align the Maxima Tikka rings with the dovetail receiver on the rifle.
- Insert the T15 socket cap screws into the designated holes of the rings.
- Tighten the screws evenly using a T15 Torx wrench. Do not overtighten; follow the manufacturer's recommended torque specifications.
- Verify that the recoil pin is properly engaged with the receiver dovetail.

2. Usage

- Once installed, carefully attach your scope to the rings, ensuring it is securely mounted.
- Before firing, doublecheck that the scope is aligned and that the rings are securely fastened.
- Practice safe handling and shooting techniques at all times.

Disposal Instructions

- Dispose of the MAXIMA TIKKA RINGS in accordance with local regulations for metal and plastic waste.
- Do not dispose of the product in regular household waste.
- If in doubt, contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support
