

1" MOUNTAIN TECH RINGS - WARNE MFG. COMPANY 1" HIGH (1.05") RINGS, BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

"Ounces are pounds, Pounds are pain" The credo of the backcountry hunter. When tired legs are the only mode of transportation. When the air feels thin, and feet feel heavy. When months of preparation, training and sleepless nights thinking about the upcoming hunt culminate into a single moment, placing the crosshair where it needs to be for the perfect shot. Warne Mountain Tech is the ultimate lightweight precision scope mounting system. Don't leave your dream hunt to chance. When every ounce matters, and every shot counts, Warne Mountain Tech are the scope mounts you can depend on. Precision CNC machined from 7075/T6 aluminum for a high strength & lightweight platform Mil-Spec hardcoat anodized finish for abrasion and corrosion resistance. Rings feature stainless steel hardware for "Element Proof" protection. Mil-Spec 65 in/lb., 1/2" tactical nut attachments for securely clamping to the rail. Fits Picatinny & Weaver style mounts and are NATO-STANAG compatible.

Safety Instruction Guide for Warne Mountain Tech Rings

Introduction

Thank you for choosing the Warne Mountain Tech Rings. This guide provides essential safety instructions and information to ensure the safe use and installation of your scope mounting system. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the rings are compatible with your scope and firearm before installation.
- Always inspect the rings for any signs of damage or wear before use.
- Follow all manufacturer instructions and guidelines for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Compatibility:** Verify that the Warne Mountain Tech Rings fit your specific Picatinny or Weaver style mount.
- **Weight Considerations:** Be aware that every ounce matters, especially in backcountry hunting. Ensure your setup is balanced and secure.
- **Installation:** Proper installation is crucial for safety. Follow the installation instructions carefully to avoid accidents.
- **Use of Tools:** Use appropriate tools when tightening the tactical nut attachments. Overtightening may damage the rings or the mounting rail.
- **Environmental Conditions:** Avoid using the product in extreme weather conditions without proper precautions, as this may affect performance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate bits for your tactical nut attachments.
- Ensure you have a clean and welllit workspace.

2. Installation:

- Place the scope into the rings and align it according to your shooting preferences.
- Position the rings on the rail of your firearm, ensuring they fit securely.
- Using the torque wrench, tighten the tactical nut attachments to a torque of 65 in/lb. Ensure that the rings are firmly clamped to the rail without overtightening.

3. Adjustment:

- After installation, check the alignment of the scope. Make any necessary adjustments before heading out for your hunt.
- Test the setup by ensuring the scope is securely mounted and does not shift during handling.

4. Usage:

- When using your firearm, always adhere to standard safety practices, including keeping the muzzle pointed in a safe direction and being aware of your surroundings.
- Regularly check the integrity of the rings and mounting system, especially after heavy use or exposure to harsh conditions.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the product is no longer needed, consider donating it to a local organization or recycling it appropriately to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the Warne Mountain Tech Rings, please refer to the manufacturer's contact information provided with your product. Ensure that you have your product details on hand for efficient assistance.

Thank you for choosing Warne Mountain Tech Rings. Enjoy your hunt and stay safe!
