

30MM MOUNTAIN TECH RINGS - WARNE MFG. COMPANY 30MM LOW (0.865") RINGS, BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

"Ounces are pounds, Pounds are pain" The credo of the backcountry hunter. When tired legs are the only mode of transportation. When the air feels thin, and feet feel heavy. When months of preparation, training and sleepless nights thinking about the upcoming hunt culminate into a single moment, placing the crosshair where it needs to be for the perfect shot. Warne Mountain Tech is the ultimate lightweight precision scope mounting system. Don't leave your dream hunt to chance. When every ounce matters, and every shot counts, Warne Mountain Tech are the scope mounts you can depend on. Precision CNC machined from 7075/T6 aluminum for a high strength & lightweight platform Mil-Spec hardcoat anodized finish for abrasion and corrosion resistance. Rings feature stainless steel hardware for "Element Proof" protection. Mil-Spec 65 in/lb., 1/2" tactical nut attachments for securely clamping to the rail. Fits Picatinny & Weaver style mounts and are NATO-STANAG compatible.

Safety Instruction Guide for 30MM Mountain Tech Rings

Introduction

Thank you for choosing the 30MM Mountain Tech Rings by Warne MFG. Company. These scope rings are designed for precision and durability, ensuring a reliable mounting solution for your scope during any hunting adventure. This guide provides essential safety instructions and guidelines to ensure safe use and optimal performance of the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the scope rings by following these guidelines.
- **Enhanced Recalls:** Stay informed about any recall notices regarding the product. If a recall occurs, remedies will be provided at no cost.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements similar to physical stores.
- **Special Consumer Focus:** Extra care should be taken to ensure that children do not have access to the product.
- **EU Contact Point:** For any safety inquiries, please refer to the relevant EU contact point.
- **Rapid Alerts:** Monitor updates on unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Weight Consideration:** Be mindful of the weight of the mounted scope. Excessive weight can affect the balance and handling of your firearm.
- **Installation Safety:** Ensure that your firearm is unloaded before installing the scope rings.
- **Secure Mounting:** Always verify that the rings are securely mounted to prevent any movement during use.
- **Regular Inspections:** Periodically check the integrity of the rings and the tightness of the attachments.
- **Avoid OverTightening:** Follow the recommended torque specifications to avoid damaging the scope or the rings.
- **Environmental Conditions:** Avoid using the product in extreme temperatures or harsh weather conditions that may affect its performance.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.

2. Installation:

- Place the base of the scope rings onto the Picatinny or Weaver rail.
- Align the rings with the desired position on the rail.
- Insert the stainless steel hardware into the designated holes of the rings.
- Use a torque wrench to tighten the attachments to the recommended torque of 65 in/lb.
- Doublecheck that the rings are securely fastened and aligned properly.

3. Scope Mounting:

- Place your scope into the rings.

- Adjust the position of the scope to ensure proper eye relief and alignment.
- Tighten the ring screws evenly to secure the scope in place, ensuring not to overtighten.

4. Final Check:

- Inspect the installation to ensure that all components are secure.
- Test the stability of the mounted scope by gently manipulating it to check for any movement.

Disposal Instructions

- Dispose of packaging materials responsibly by recycling where possible.
- If the product reaches the end of its life, dispose of it in accordance with local regulations regarding aluminum and metal waste.

Contact Information for Further Support

For any questions or concerns regarding the 30MM Mountain Tech Rings, please refer to the manufacturer's support channels or consult the retailer from whom you purchased the product.

By following these safety instructions and guidelines, you can ensure the safe and effective use of your 30MM Mountain Tech Rings. Enjoy your hunting experience and stay safe!
